The Power of Faith How the Love of God Found Me details the circular journey the author's life had taken through the years. It chronicles the author's life from the 1960s until the present. While he was ambitious and desired to practice law, God had a quite different intention in mind. Barriers and adversity occurred with each attempt to try to practice. Rather than be a practicing attorney, God wanted the author to understand the meaning of his life, the discovery of the meaning of true love. God wanted the author to understand that God loved him and that He would provide for the essential needs for his survival. Likewise, God wanted to convey that if the author loved Him too, additional blessings would come his way beyond mere survival. All this knowledge resulted from a simple adverse event: the tripping over a small dog resulting in a broken foot. God wanted the author to convey this sentiment to those receptive. With the readers examining their lives, they will see the role God has with them along with the love God has in their lives. God exists and is real, and all it takes is believing to change one's path in life.
