The Real Deal: Making the Case for the One True God Rev. Peter Hendriks Okello, 2018-08-08 This book explains differences between the content of the Bible and the Qur'an and between the God of the Bible and Allah of the Quran The resulting identity of Allah serves as a wake up call for many Christians especially for those who think that the God of the Bible and Islam's Allah are identical Despite growing militant Muslim behavior throughout the world especially against Christians and Jews many Christian leaders in churches and politics seem to be ignorant of the growing threat of Islam to their communities Many examples of explicit Muslim's inhuman behavior substantiate the global Muslim threat to completely destroy Jewish and Christian communities throughout the world This book helps readers understand that there is a significant and most strenuous spiritual battle going on in the heavenly spheres between demons fallen angels and angels as ministers of God This spiritual battle is reflected in the hearts and minds of men and women today This book suggests how

Christians need to be united in a biblical response to the growing threat of militant Islam to bring the entire world under the rule of Sharia law and worship of Islam's Allah What Is Our Christian Purpose? Kari Quijas, 2018-08-20 The book originated from a midweek Bible study My husband and I have the honor of working with new converts to Christianity I kept seeing a trend of them being uncertain of their role in the kingdom of heaven They could not see within themselves what was so easy for me to see future Bible teachers music Sunday school teachers evangelist and other home missionaries like my husband and myself It was my desire to see them move forward and develop their own natural gifts The book was to inspire them to believe in themselves and to get out of their comfort safe place of what they were already familiar with get out of the boat and walk to Jesus *How to Talk about Jesus Without Looking Like an Idiot* Andy Bannister, 2023-07-04 Why is it so difficult to talk to our closest friends about what's most important to us Our true identity Our hopes and dreams Our true purpose and faith Andy Bannister struggled with that question himself As a twentysomething he operated as an Undercover Christian at his job He knew it didn't make sense and he spent the following decades helping countless people find easy natural ways to talk about the fundamental questions of life with the ones they love *The Routledge Research Companion to the History of Evangelicalism* Andrew Atherstone, David Ceri Jones, 2018-07-11 Evangelicalism an inter denominational religious movement that has grown to become one of the most pervasive expressions of world Christianity in the early twenty first century had its origins in the religious revivals led by George Whitefield John Wesley and Jonathan Edwards in the middle decades of the eighteenth century With its stress on the Bible the cross of Christ conversion and the urgency of mission it quickly spread throughout the Atlantic world and then became a global phenomenon Over the past three decades evangelicalism has become the focus of considerable historical research This research companion brings together a team of leading scholars writing broad ranging chapters on key themes in the history of evangelicalism It provides an authoritative and state of the art review of current scholarship and maps the territory for future research Primary attention is paid to English speaking evangelicalism but the volume is transnational in its scope Arranged thematically chapters assess evangelicalism and the Bible the atonement spirituality revivals and revivalism worldwide mission in the Atlantic North and the Global South eschatology race gender culture and the arts money and business interactions with Roman Catholicism Eastern Christianity and Islam and globalization It demonstrates evangelicalism's multiple and contested identities in different ages and contexts The historical and thematic approach of this research companion makes it an invaluable resource for scholars and students alike worldwide Jesus, Contradicted Michael R. Licona, 2024-05-28 The differences and discrepancies in the Gospels constitute the foremost objections to their reliability and the credibility of their message Some have tried to resolve Gospels contradictions with strained harmonization efforts Many others conclude that the Gospels are hopelessly contradictory and therefore historically unreliable accounts of Jesus In *Jesus Contradicted* New Testament scholar Michael Licona shows how the genre of ancient biography to which the Gospels belong actually allows biographers to be

flexible in how they report events construct a narrative and make an argument Licona demonstrates that the intentional changes to the Jesus tradition by the Evangelists reveal that the differences in how the Gospels report events are not grounds for their rejection Instead they are a result of the Gospel writers employing standard literary conventions common in their time for writing ancient biography Licona introduces readers to the genre of ancient biography through Plutarch who wrote 48 of the 90 extant biographies written within 150 years of Jesus giving numerous examples of compositional devices employed by Plutarch and comparing them with instances in the Gospels where the Evangelists appear to use similar techniques Licona also examines Theon s Progymnasmata a first century textbook that provides six techniques for paraphrasing one s sources when writing a narrative In doing so he helps readers understand why the Gospels report many events differently Finally Licona concludes by addressing the thorny question of whether the editorial moves commonplace in ancient biography are compatible with the doctrines of the divine inspiration and the inerrancy of Scripture Rather than trying to resolve discrepancies by bending the Gospel narrative which risks making them say things they aren t saying Jesus Contradicted situates the Gospels within their proper context and helps readers account for differences in the Gospels in a cohesive and historically cogent way

Religious Experience and the Knowledge of God Harold A. Netland, 2022-02-08 For many
