I am an easy-going person and I have many friends in school.

### **Why you want to join the programme**

I want to join the program as I believe I would benefit greatly from the overseas exchange experience. It is an enriching experience to broaden my horizon. Firstly, I can improve my language. In the programme, I will communicate in English, so I can improve my English, especially oral speaking skills and develop communication skills. In the exchange program, I will go to other countries and learn foreign languages. Besides, I can stay with a local family to get a taste of living in a different culture. I am eager to learn about the culture of other countries so I can know about other local cultures to broaden my global outlook. Moreover, it is a valuable experience to step out of my comfort zone and adapt to a new environment. I will live with a local family and I can make new friends there to broaden my horizon. I have to look after myself and I think this will encourage personal growth.

### **Why you think you are a suitable candidate**

I am a self-motivated person and I am willing to learn about other countries' cultures. If I join the exchange programme, I will be eager to learn more about other cultures.
