

## Self Introduction Speech Outline Example

**The goal is to tell an event that changed your life  
and the lesson you learned**

All speeches  
should start with  
a strong  
statement to  
draw the  
audience in

### **Introduction:**

**Grabber:** A statement that grabs the audience's attention.

**Preview:** The main points of the speech

### **Body:**

- I. Tell a story or event
  - A. Give details
  - B. Give details so we can see the story unfold
  - C. Draw us into your story

Telling a good story is key!  
Make us *feel* the mood.

**Transition:** a statement that connects your story to the life lesson

- II. This event changed me (the way I think, what I do, how I act, what I believe) in many ways
  - A. In the future I will.... I will act differently
  - B. I will treat others differently

### **Conclusion:**

**Review:** Review the story and the lesson briefly

**Closure:** Give a "life lesson" that can apply to others.  
Make the last sentence have a real impact

Everything on the outline must be written as full sentences. You can expect this outline to be about one and a half typed pages long.

You will put more on your outline than you will on your note cards.

The outline is the long version; your note cards will only contain key points

A good closure lets the audience know when to clap. It should be a quote, a memorable statement or something for us to think about.
