**Naked** David Sedaris, 2009-05-04 In *Naked* David Sedaris's message alternately rendered in Fakespeare Italian Spanish and pidgin Greek is the same pay attention to me Whether he's taking to the road with a thieving quadriplegic sorting out the fancy from the extra fancy in a bleak fruit packing factory or celebrating Christmas in the company of a recently paroled prostitute this collection of memoirs creates a wickedly incisive portrait of an all too familiar world It takes Sedaris from his humiliating bout with obsessive behavior in *A Plague of Tics* to the title story where he is finally forced to face his naked self in the mirrored sunglasses of a lunatic At this soulful and moving moment he picks potato chip crumbs from his pubic hair and wonders what it all means This remarkable journey into his own life follows a path of self effacement and a lifelong search for identity leaving him both under suspicion and overdressed **Chasing the Dragon** Christopher R.

Cox, 2014-05-13 *Chasing the Dragon* is the story of a Boston Herald reporter's journey into Burma Myanmar to interview the mysterious drug lord Khun Sa The features desk of an American newspaper may seem an unlikely launchpad for a journey into one of the world's most remote and dangerous regions but for journalist Christopher Cox it was where the story began It would end nearly three years later in the almost inaccessible mountain fastnesses of Shan State Burma as Cox brought off a journalistic coup even hard bitten foreign correspondents might envy a rare personal audience with General Khun Sa the man U S law enforcement dubbed The Prince of Death the man thought to control a third of the world's supply of heroin Accompanied by an obsessed Vietnam vet who had given up everything in his single minded search for American POWs left behind in Southeast Asia and an eccentric expat with close personal ties to the general Cox was going to cross forbidden borders to enter a region long off limits to Westerners And armed with little more than a backpack stuffed with vodka porno tapes and cigarettes he was going to succeed His journey would take him deep into the Golden Triangle a shadowy zone of banditry drug smuggling and the ghost armies of past wars He would begin in the red light district of Bangkok with its sex bars and soaring HIV rates then head up into northern borderlands newly discovered by package tour groups and finally cross a jungled no man's land into the world of the Shan where tough tribesmen trade opium and precious gemstones for the arms they need to fight the Burmese **Girls on Campus** Sandy Lowe, Stacia Seaman, 2016-05-17 College four years when
