

Light and dark

The sun

Vocabulary
Sun, hot, day, night, winter, summer, cloudy, warm

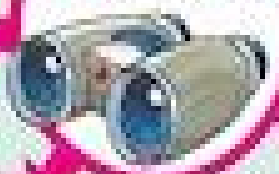

Quick ideas
- On a cloudy day, tell the children why the sky is grey and ask them to think, without looking at the sun, when it goes behind, or emerges from a cloud. How do they know? How far they should look and describe the sun so they can be very accurate.
- Ask the children to find out from the internet or information books why the night can be seen at night.

Learning objectives
- The sun is the source of light for the earth.
- It is dangerous to look at the sun because it is so bright.

Essential fact!
The sun is not a light source

Essential fact!
Light from stars and the sun is reflected from a light source by the object

How we see things

Vocabulary
Eye, light, camera, object, reflection, infrared, night, light, dark, black, transparent, transparent objects

Quick ideas
- Use a black box that can be sealed to prevent the entry of light except for a small hole at one end. Place objects on the box and ask the children to identify them.
- With their eyes closed, ask the children to identify objects using senses other than sight.

Learning objectives
- Light is essential for seeing things.
- Objects cannot be seen in total darkness.
- When it is dark, other senses can be used to help find and identify things.

Quick ideas
- Give the children brushes that vary in brightness. Ask them to describe how the light they produce is different and to arrange them in order of brightness.
- Ask the children why it is important to be seen clearly at night. Can they think of ways to create ways of making themselves more visible, for example wearing light coloured clothing or having reflective badges on coats?

Observations and comparisons

Vocabulary
Bright, brighter, brightest, dark, darker, darkest, cloudy, sunset

Learning objectives
- Observe and compare sources of light and make observations.
- Suggest how to find out where a reference star will move tonight, these observations and simple calculations, and why whether what they found out was what they expected.

Sources of light

Vocabulary
Light, hot, north, south, candle, flame, battery, switch, flashlight, projector

Essential fact!
Light travels at 299,792,458 metres per second

Learning objectives
- There are many sources of light.
- Light travels very fast.
- Sources of light show us different experiences.
- Being aware of our light sources, they need a light source if they are to shine.

Quick ideas
- Invite the children to write or draw as many things as they can think of that produce light.
- Ask the group where light was used in their homes.
- Give the children in a dark room and identify different sources of light.
- Make shadow puppets to tell a well known story.

Nuffield Science Light And Dark Ks1 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nuffield Science Light And Dark Ks1 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nuffield Science Light And Dark Ks1 has opened up a world of possibilities. Downloading Nuffield Science Light And Dark Ks1 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nuffield Science Light And Dark Ks1 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nuffield Science Light And Dark Ks1. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nuffield Science Light And Dark Ks1. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nuffield Science Light And Dark Ks1, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nuffield Science Light And Dark Ks1 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
