Praising God Gerry Sensanbaugh, 2021-09-27 Praising God A Book of Devotions through the Book of Psalms for Senior Adults and Senior Couples By Gerry Sensanbaugh Praising God is a devotional book customized for senior adults and senior couples It is author Gerry Sensanbaugh s desire to look at the Psalms after years of experiencing life and living a life with spouses family and friends that God has brought into her life Each devotional comes from Psalms her favorite book because it covers everything life brings to us Joy and praises sorrow and tears sin and repentance fear and doubts love grace and mercy Whatever her need for the day she can find the answers in Psalms The devotionals are short and to the point It is her desire that you spend this time alone or with your spouse and then discuss your thoughts and feelings This will then lead you to your personal time with God alone in Bible study and prayer May God bless you **WhisperArt Devotions** Ethan W.

Moses, 2018-08-31 Jesus said I will never leave you nor forsake you and He has certainly made good on that promise for the past thirty years During this time Jesus has walked with me while providing insights and realizations based on Godly principles that have molded me into who and what I am today It is my hope that as you read each devotional in this book you get a sense of how God goes about His business of molding and shaping us into the image of His precious Son I once heard a story about how Michelangelo created the statue of David He simply removed everything that wasn t David And so it is with us God keeps chipping away removing everything that prevents us from being what He created us to be and from doing the things he created us to do I have a long way to go but I am excited about what God has done and is doing in my life I look forward to one day looking into a mirror and seeing for the first time the masterpiece God creates from a life that was once so ugly and covered in sin Praise the holy name of Jesus **The One Year Book of Family Devotions** Josh McDowell, Bob Hostetler, 1999-04-15 Josh McDowell s One Year Book of Family Devotions will help your family discover the truth about always making right choices Each day s devotional includes a Bible reading a key verse and an inspiring short story

Living Devotions Mary Clark Moschella, 2008-01-01 Living Devotions explores how a particular community has creatively negotiated its religious bonds of connection in the context of immigration These matters cannot be studied in the abstract Religious practice is not something separate from the economic cultural and psychological dimensions of life but rather something integral which shapes and is being shaped by all of these other realities The author examines these dynamics through an ethnographic case study of the living devotions of a group of Italian Catholic immigrants to San Pedro California The narrative describes how the group s historical experiences of immigration and fishing find expression in their particular forms of prayer art artifacts and food The healing and transformative power of these shared religious practices is explored As contemporary theologians pastors and congregations seek to welcome and care for immigrants and other strangers in a shifting social landscape we need ways to engage in care full and attentive relationships The ethnographic method employed here suggests a way to lift up the voices of ordinary people allowing them to tell their own stories while piecing together

emerging bits of theological wisdom and compelling care practices While the particular insights of any community are situated and specific theological reflection in one context can animate a broader discussion of transformative pastoral theology and practice
