

# Being a NURSE means

☐ You will never be bored.  
You will always be frustrated.  
You will be surrounded by challenges,  
So much to do and so little time.

☐ You will carry immense responsibility  
and very little authority.

☐ You will step into people's lives  
and you will make a difference.  
Some will bless you.  
Some will curse you.

☐ You will see people at their worst ~  
and at their best.

☐ You will never cease to be amazed  
at people's capacity for  
love, courage, and endurance.

☐ You will see life begin ~ and end.  
You will experience resounding triumphs  
and devastating failures.

☐ You will cry a lot.  
You will laugh a lot.  
You will know what it is to be human ~  
and to be humane.

~Melodie Chenevert

The Essentials of Nursing Leadership Ruth Taylor, Brian Webster-Henderson, 2016-12-05 This new approach to leadership focuses on how students can develop leadership skills right from the start of their nursing programme through to transitioning to their first role The book first takes students through the underpinning knowledge and theory and then through practical skills to help them understand all aspects of leadership and how it is a key component of providing quality

care to patients in a range of environments and settings Real stories from nursing leaders practitioners and students are included to inspire students and show them how they can impact positively on practice whatever level they are working at Key features include Real life focus grounded in everyday practice with lots of case studies and examples to help students see how theory relates to practice Activities to help students reflect about their own practice and about themselves as leaders Video interviews with nurse leaders and students on the companion website Further reading and links to journal articles in both the book and the companion website help students delve deeper and prepare for assessments
