Nutrisearch Comparative Guide 24:

Five Alive Dr.Charles Lemon,2020-01-08 We are at a crossroads in health care as many of us suffer from hard to treat health conditions and multisystem diseases and syndromes that are on the rise Modern medicine and technology have failed at keeping us healthy and or improving many conditions like cancer heart disease diabetes metabolic syndrome autoimmune disease depression allergies and dementia to name only a few We have abandoned the way our bodies are designed to stay healthy In reality many orthodox and standard treatments disrupt or bodies normal function and promote these very disorders The answers to many of your health concerns are literally right in front of you in the way you move eat and sleep Small changes can have a great impact Five Alive offers these small changes The goal of Five Alive is to change the standard We have the knowledge and you have the power A single choice each day can make a profound change in your health Five Alive offers a new approach not previously seen Simple safe scientific and low cost actions in each of the three areas of moving eating and sleeping The uniqueness of Five Alive is offered by way of synergy which the recommended actions interacting with the others creating a compound effect Five Alive is not a diet plan or an exercise regime Five Alive can be incorporated into any health and or fitness program diet and or lifestyle and can be used by the very young to the most senior populations This work has its genesis in the need of those seeking easy to follow safe and scientific actions to address their concerns about health issues associated with moving eating and sleeping mood We have taken twenty eight years of suggestions twenty eight years of research education and personal experience and have developed a plan we call Five Alive We have condensed our knowledge and our expertise and have simplified the complex confusing and at times contradictory advice regarding moving eating and sleeping diet exercise and mind We liken this book to a finished statue Initially a large chunk of marble chiseled away over a long period to reveal a simple beautiful piece of work Everyone moves everyone eats and everyone sleeps How well you do each of these will determine how healthy you are *Goddesses Never Age* Christiane Northrup, M.D.,2016-12-13 THE NEW YORK TIMES BESTSELLER Though we talk about wanting to age gracefully the truth is that when it comes to getting older we re programmed to dread an inevitable decline in our health our looks our sexual relationships even the pleasure we take in living life But as Christiane Northrup M D shows us in this profoundly empowering book we have it in us to make growing older an entirely different experience both for our bodies and for our souls In chapters that blend personal stories and practical exercises with the latest research on health and aging Dr Northrup lays out the principles of ageless living from rejecting processed foods to releasing stuck emotions from embracing our sensuality to connecting deeply with our Divine Source Explaining that the state of our health is dictated far more by our beliefs than by our biology she works to shift our perceptions about getting older and show us what we are entitled to expect from our later years no matter what our culture tries to teach us to the contrary including Vibrant good health A fulfilling sex life The capacity to love without losing ourselves The ability to move our bodies with ease and pleasure Clarity and authenticity in all

our relationships especially the one we have with ourselves Taking all the right supplements and pills or getting the right procedure done isn't the prescription for anti aging Dr Northrup explains Agelessness is all about vitality the creative force that gives birth to new life Goddesses Never Age is filled with tools and inspiration for bringing vitality and vibrancy into your own ageless years and it all comes together in Dr Northrup's 14 day Ageless Goddess Program your personal prescription for creating a healthful soulful joyful new way of being at any stage of life Éternelles déesses Christiane Northrup, 2016-06-21T00:00:00-04:00 Quel ge avez vous Quel ge avez vous l'impression d'avoir Nous sommes programmés pour nous attendre au déclin inévitable de notre santé de notre apparence de nos relations sexuelles et même du plaisir que nous prenons vivre pourtant les centenaires représentent le segment le plus en hausse dans la population Et si en réalité nous ne faisons que laisser nos pensées quant au nombre de nos années nous pousser vers la vieillesse Comme nos vies pourraient être différentes si nous renoncions notre obsession pour les chiffres pour la remplacer par une philosophie d'intemporalité ou de vie hors du temps C'est ce que fait l'auteure et médecin visionnaire Christiane Northrup
