Nurse Naughty Femdom Humiliation Erotica:

EROTICA: Gender Swapping the Doctor (Femdom Humiliation and Gender Swap Medical Erotica) Nina Nauheim, 2017-07-13 The Montgomery Clinic is a bit of an old boy's club and no one plays the game better than Dr John Bratton. Even though he's still young, he's got all the right connections and all the right diplomas to get away with pretty much anything he wants. So when several nurses complain to the administration that he's too handsy with his female patients, not to mention with them, he gets a slap on the wrist. But the attractive nurses are more than tired of his lewd comments and decide he hasn't come close to learning his lesson. When they stumble across an experimental medication, they realize they have the perfect solution. To show the arrogant young doctor how the clinic really treats women, they decide to make him one. Before they're done with him, Dr Bratton is going to have a very good idea of what it feels like to be used and objectified. Peak inside to see all the details, too dirty for this blurb. Reader Advisory: This story is for mature audiences only and features intensely erotic situations, femdom, humiliation, feminization, gender swap, bimbification, and the use of potent aphrodisiacs, rough sex, sexual manipulation, submissiveness, and dominance. All characters are 18 or older. **Confessions of a Naughty Night Nurse** Lily Harlem, 2013 When scalpels are set down, the ward lights turned off, and the patients asleep, there is always time for mischief. From Lily Harlem, co-author of *Anything For Him*, *Confessions of a Naughty Night Nurse* is the perfect read for fans of E. L. James and Sylvia Day. I guess you could call me a jack of all trades nurse. I find work satisfaction in whichever department the hospital needs me most as long as it's through the darkest hours. But it's so often the quieter night time where the real high jinx abound. With a weakness for sexy guys wearing white coats, my fantasies are often realised, and I'm adept at finding relief from the hospital grind in shadowy corners and cosy linen cupboards. Of course, my dedication to patient comfort is paramount. What kind of nurse would I be if it wasn't? But when one act of extreme, albeit highly inappropriate, kindness forced me to become the hospital director's snitch, the length I went to in order to keep my job satisfied my desires and found me the love that had always evaded me. A love that made me push even my not-so-professional boundaries to the extreme. Other titles in the Secret Diary series are *Confessions of a Kinky Wife* by Justine Elyot, *Confessions of a Kinky Divorcee* by Lana Fox, *Confessions of a Greedy Girl* by Madelynne Ellis. [The Adventure of Naughty Nurse Nancy Pt. 2 \(Cougar Erotica\)](#) Katie Ayres, His breathing quickened, but what interested me even more was the tell-tale rise in the sheets. *Naughty Nurse Nancy* engages in some very taboo and forbidden therapy when she's asked to do a home care for a sexy young stud who realizes that the experienced older woman is just what the doctor ordered: older woman/younger man cougar erotica, medical play, medical erotica, erotica, short sex stories, adult fiction. *Nursing Him Back to Health* Charlotte Reesely, 2019-07-10 Being a pro football player means injuries come with the territory. Throughout his career, John has known many hospitals and many nurses, but never a nurse like Kendra Sweet, caring and irresistibly sexy. She fills out her uniform in a way the average nurse doesn't, with spilling milky, bursting breasts. And she's more than willing to put them to good use if it

means nursing her patient back to health This is a hot steamy lactation sex short erotic romance featuring submission and adult milking between a naughty nurse and her oral loving patient This adult nursing relationship erotica is only for readers 18
