Lippincott CoursePoint for Brunner/Suddarth's Textbook of Medical Surgical Nursing, 15th Edition. Study Guide for Brunner/Suddarth's Textbook of Medical Surgical Nursing, 15th Edition. vSim for Nursing Medical Surgical. Lippincott DocuCare.

**Nurse Practitioners and Nurse Anesthetists: The Evolution of the Global Roles** Sophia L. Thomas, Jackie S. Rowles, 2023-06-05. As the only book of its kind, this publication provides students, clinicians, researchers, ministries of health, and others with a valuable, thorough, and focused understanding of the development of the nurse practitioner (NP) and nurse anesthetist (NA), two advanced practice nursing roles which have improved access to care and healthcare outcomes as bilateral role development has progressed internationally. As the two roles have significant clinical differences, the book will appraise each role separately within two sections, utilizing different approaches. After a thorough platform of defining and describing each role, including history and origins, education, practice, regulation, and leadership, the book guides by example, utilizing unique country case studies divided by WHO regions as exemplars for international role development, as well as an outlook for the future of advanced practice nursing on the global stage. The book expands on the tenets and principles as outlined in the ICN Guidelines on Advanced Practice Nursing for Nurse Practitioners (2020) and Nurse Anesthetists (2021), providing the reader with an internationally vetted and accepted comprehension of the roles, guiding and inspiring future role development to improve global health care.

**Fundamentals of Nursing** Sue Carter DeLaune, Patricia Kelly Ladner, Lauren McTier, Joanne Tollefson, 2023-10-01. Fundamentals of Nursing, Australian and New Zealand, 3rd edition, provides comprehensive coverage of fundamental nursing concepts, skills, and standards of practice that challenges introductory nursing students to learn and apply critical thinking skills for culturally diverse populations in a variety of clinical environments. This book highlights the core themes of nursing, including nurse-person, health, and environment, and is based on the concepts of research and evidence-based practice. With up-to-date coverage of the Registered Nurse Standards of Practice (2016) and key pedagogical features such as our unique Spotlight on critical thinking questions, this text challenges students to assess their own nursing

practice and apply the concepts they learn in class to real life clinical settings Fundamentals of Nursing presents in depth material in a clear concise manner using language that is easy to read and has good coverage of topics such as rural and remote nursing and Aboriginal and Torres Strait Islander health This text is complemented by the bestselling Tollefson Clinical Psychomotor Skills Assessment Tools for Nursing which covers skills and procedures A value pack of these two texts is available Premium online teaching and learning tools are available on the MindTap platform Learn more about the online tools au cengage com mindtap Resources for instructors include Instructor s Guide PowerPoints Test Bank case database and videos **Potter and Perry's Fundamentals of Nursing: Third South Asia Edition EBook** Suresh Sharma,2021-03-15
