JW Blanchard, Assoc. AIA
AIA Past President/
Elections Committee Chair

Mr. JW Blanchard,

Please let this letter serve as my official statement of intention to run for the position as President of the American Institute of Architecture Students for the 2010/2011 school year. I believe that after much consideration and deliberation that I, Peter Bannon am qualified to seek the title as President of the AIAS. This decision has been made after months of deep personal examination and contemplation. My decision to run for the role as the voice of the architecture student body was not an easy one. I have eagerly donated the past four years of my life to the students involved in the AIAS at UW-Milwaukee. I feel that while my impact upon the architecture student body at UW-Milwaukee has been readily apparent and positive, my potential as a leader nationally can be used to influence change, and improve upon the successes of the AIAS as a national organization.

Over the past four years as an architecture student and a proud member of the AIAS, I feel as if I have developed into a strong and positive leader. My responsibilities in the organization have grown year to year just as the positive impact I have had on younger members has grown in the AIAS at UW-Milwaukee. I view my candidacy for President of the AIAS as an opportunity for me to give back to and to serve the organization that has done so much for me in my growth as a professional and as a leader among my peers. This will be an opportunity for me to take what I have learned over the years as a leader in Milwaukee and pass on my knowledge to the future leaders in the AIAS and the world of architecture.

Please review my submitted materials with the understanding that I will, as President of the AIAS, aim to improve upon the achievements the AIAS has had over the past fifty years, as well as to withhold the legacy and integrity that resides with the AIAS. With enthusiasm I offer my knowledge, experiences, abilities, and leadership as a candidate for AIAS National President.

Sincerely,

Peter Bannon
Chapter Co-President
AIAS at UW-Milwaukee
