William Thomas Lowndes,1834 **The Message of Love** Patrick Mitchel,2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing

and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel s conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5 6 NIV Mitchel s exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church s calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible s teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible s unified teaching on this vital theme can impact your life today      **Rough Trade** Steve
