Dear [Mr./Mrs./Ms.] [Hiring Manager's Name],

This is a letter of application with regard to applying for the job of Nursery Nurse role advertised on (Childcare Center Name). Considering my proven ability to raise children with love and devotion, I am eager to ensure that these young kids under your care grow well.

While working for (Previous Childcare Centre) I was able to achieve specific accomplishments (list one or two of them), and this led to (positive outcome). Moreover, I introduced (a particular program) that improved the learning process for kids and the parents accoladed me for this nature of mine which made them feel comfortable with the environment.

Some of my accomplishments include the following –

- Developed a student-centric curriculum that engaged students in appropriate activities and led to at least 20% parental positive feedback.
- Set forth an environment of positiveness and inclusivity that translated into a 15% drop in behavioral incidents for children.
- Worked in partnership with parents on designing custom care plans, improved communication, and provided one-on-one focus to every child.

These experiences working with top childcare teams helped me design developmental yet safe activities for the kids, and communicate effectively with the parents. Your center's focus on (particular value) specifically draws me in and I would like to add my knowledge to improve your already outstanding services and learning.

Please find attached, a copy of my resume highlighting my achievements and qualifications. It would be great if we could further discuss how my competencies and contribution to (Childcare Center Name) will benefit. It is my pleasure that my candidature will be evaluated, and I am looking forward to a personal meeting.
