Biblical Foundations for the Role of Healing in Evangelization Mathias D. Thelen, 2017-12-07 It's almost undeniable that God is working miracles of healing in evangelization today For theologians pastors and evangelists some questions arise What is the relationship between physical healing and the message of salvation Should the church really expect God to do healings in evangelization today Father Thelen answers these questions by examining the relationship between the preaching of the gospel and physical healing in the New Testament The gospel of Jesus Christ is not simply a message of fact it is a message of power that is often expressed through the working of deeds that serve as signs of the reality preached salvation As signs of the kingdom healings that accompany the preaching of the gospel play an indispensable role in bringing people to faith throughout the New Testament

The result of this biblical study is a clarion call for the church to renew its faith in God's desire and power to confirm his word through healing. As healing becomes more accepted and frequent in evangelization, a Catholic biblical and theological approach to healing as it relates to evangelization, an approach that can be different from its Protestant counterpart, is necessary. This modest book fits this need.

The Nature and Destiny of Man Reinhold Niebuhr, 2021-11-02. The Nature and Destiny of Man issues a vigorous challenge to Western civilization to understand its roots in the faith of the Bible, particularly in the Hebraic tradition. Niebuhr here lays out his influential understanding of the two poles of human existence: finitude and freedom. Individual human thriving requires that we fully understand and honor both of these aspects of our nature; yet human history demonstrates our penchant for placing one over the other. This book is arguably Reinhold Niebuhr's most important work. It offers a sustained articulation of Niebuhr's theological ethics and is considered a landmark in twentieth-century thought.

Mapping Out Curriculum in Your Church James R. Estep, M. Roger White, Karen L. Estep, 2012-06-01. This new book from top Christian education professionals integrates biblical foundations, educational theory, and practical insights into a new curriculum formation approach for the local church. Uniquely identifying curriculum as a means of ministry through the metaphor of mapmaking, it shows how believers are lost along the spiritual journey without a study plan, having no clear destination or reliable path to follow toward maturity. Detailing the theological, educational, and pastoral dimensions that make a curriculum Christian, the text is arranged into four sections: 1. rationale for curriculum, 2. curricular foundations, 3. curricular theory, and 4. the practice of curriculum. Covering areas from children's ministry to adult education, contributors include editors James R. Estep, Karen L. Estep, and Roger White, as well as Holly Allen, Mark H. Senter III, Michael S. Wilder, Timothy Paul Jones, and Brett Robbe.
