Amatea, 2013-06-17 Using a style that draws students into the ongoing inquiry into how intimate relationships work, *Love and Intimate Relationships* investigates the life cycle of relationships, influences that affect them, theories behind them, and ways to improve them. Dozens of stories from students themselves, case examples, and over 150 tables, figures, and the cartoons of Don Edwing of *Mad Magazine* help bring the material alive. The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject. *Love and Intimate Relationships* helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds. The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology, marriage counseling, human relations, and sexuality and interpersonal relationships **Insecure in Love** Adele Friedman, 2021-05-17 If you've wanted to put an end to the endless streak of unhealthy, toxic relationships where insecurities, jealousy, and anxieties are all too common so that you can save your marriage from divorce and deal with codependence successfully, keep reading. Let this book show you exactly how to restore sanity, happiness, and fulfillment in your relationship marriage, save it from constant fighting, distrust, and other unhealthy patterns that ruin relationships. Are you sick and tired of always being on the edge in your relationship marriage because of runaway jealousy, insecurities, distrust, unfounded conflicts, and manipulation and other challenges? If you've answered YES, keep reading. You see, building a healthy relationship founded on trust, respect, peace, and happiness doesn't have to be difficult, even if you've tried everything you can without success. In fact, it is a lot easier than you might have thought.
