

A woman with long dark hair, wearing a leopard print coat, is the central figure. She is looking slightly to her right with a soft expression. The background is a blurred city square with a large domed building, possibly St. Peter's Basilica, and bare tree branches in the foreground. The overall tone is warm and cinematic.

Relative Strangers English Edition:

Relative Strangers Frank Cicero, 2011-06-28 An Italian American investigates his family's mixed religious roots in northern Italy and Sicily in this fascinating memoir. Italian Protestants: Few people seem to have heard of them but the author's mother's immigrant Italian family was Protestant while his father's were Catholic immigrants from Sicily. On his father's side with dozens of aunts, uncles and numerous cousins Catholic family gatherings were loud, often profane, with drinking, smoking and raucous celebrations of weddings, births, holidays and other occasions as well as the mystical rituals inherent in the Catholic faith. By contrast on his mother's side family gatherings were small and quiet with no smoking or drinking and religion was the core of most family celebrations. But the author had little understanding of the ancient origins of his maternal grandparents' very different Protestant faith which marked the keen differences between the two sides of the family. *Relative Strangers* describes the author's search for the religious roots of his parents' families in northern Italy and Sicily. He traces the history of the Waldensians, the Protestant sect which began in Lyon, France, in the twelfth century, often suffering persecution but surviving to this day both in Europe and America. *Relative Strangers: Family Life, Genes and Donor Conception*

Petra Nordqvist, C. Smart, 2014-01-02 With reproductive medical technologies becoming more accessible, assisted donor conception is raising new and important questions about family life. Using in-depth interviews, the authors explore the lived reality of donor conception and offer insights into the complexities of these new family relationships. *Simple truths: the English version of A small treatise on political economy for the information of Chinamen*

Grammatical Variation and Change in Jersey English Anna Rosen, 2014-04-15 Situated at the crossroads of dialectology, sociolinguistics and contact linguistics, this volume provides a first comprehensive description of the morphosyntactic inventory of the variety of English spoken on Jersey, the largest of the Channel Islands. Based on a specially compiled corpus of spoken material containing both present-day sociolinguistic and archive data, it thereby reveals an intricate network of variation and change in this language shift variety. The study adopts a cross-varietal approach for its analyses which enables a first more systematic comparison between the Englishes spoken on Jersey and its sister island, Guernsey, and beyond. In addition, it discusses the implications of identity aspects for language use in Jersey. The book will therefore be of major interest to any researcher or student working in the areas of language variation and change, language contact or dialectology, and to those interested in sociolinguistic methodology and the relationships between language and identity. *A History of Irish Working-Class Writing* Michael Pierse, 2018 Michael Pierse is Lecturer in Irish literature at Queen's University Belfast. His research mainly explores the writing and cultural production of Irish working-class life. Over

recent years this work has expanded into new multidisciplinary themes and international contexts including the study of festivals digital methodologies in public humanities and theatre as research practices Michael has contributed to a range of national and international publications is the author of *Writing Ireland's Working Class Dublin after O'Casey* 2011 and has been awarded several Arts and Humanities Research Council awards and the Vice Chancellor's Award at Queen's

Affinities Jennifer Mason, 2018-03-16 How is it possible to feel an affinity with a place What is happening when someone feels almost literally transported to another time by a smell or a texture or a song Why do striking family resemblances sometimes feel uncanny In each of these cases a potent connection is being made involving forces flows energies and atmospherics that conventional sociological approaches can find hard to grasp but that are important nonetheless In this innovative book Jennifer Mason argues that these are affinities potent charges and charismatically lively connections in personal life that rise up and matter in some way and that enchant or toxify the everyday She suggests that exploring affinities opens up new possibilities for conceptualizing the experience of living in the world through what she calls the socio atmospherics of everyday life This book invites the reader to embrace possibilities and themes that may seem outside the usual range and to engage in a more open attentive inventive and poetic sociological sensibility

The Electronic Front Porch Jacob J. Podber, 2007 The Electronic Front Porch examines the arrival of radio and television in Appalachia and the Internet's role in the Melungeon community It contributes to a variety of disciplines including media Appalachian and popular culture studies in addition to oral Southern and American history
