other groups like them in countries around the world are explored in an essay that asks Are Jews Generic Misconceptions of German history in general and of the Nazi era in particular are also re examined So too are the inspiring achievements and painful tragedies of black education in the United States Black Rednecks and White Liberals is the capstone of decades of outstanding research and writing on racial and cultural issues by Thomas Sowell      **Prairie People** Robert

 C Vann Woodward 1908-1999     *Rednecks, Eggheads and Blackfellas* Gillian Cowlshaw, 2020-08-02  
 This lively book brings the reader close to the people from a remote cattle station in far north Australia where black and white peoples lives have been intertwined over the span of 80 years  
 Tracing the humorous savage and ordinary ways in which race structured intimate and everyday relationships across a great divide  
 Gillian Cowlshaw makes startling and original arguments about race relations  
 By investigating specific patterns of interaction on Australia's cultural frontier  
 Rednecks Eggheads and Blackfellas illustrates how anthropologists pastoralists and government officials squabbled about Aborigines as they intruded into their country controlled aspects of their lives and dominated the way they were represented in the public realm  
 The ironic title hints that the difference between redneck pastoralists and egghead anthropologists is not so great as might be imagined  
 Aborigines were central to the projects of both kinds of whitefellas  
 Weaving the shifts in government policy and public opinion with accounts of their sometimes ludicrous impact on outback communities  
 this book brings to life the complexities of living with racial categories  
 And it asks why increasingly enlightened anti racist policies seldom seem to have worked as intended even in this era of self determination  
 This thought provoking work will speak not only to anthropologists and those interested in Aboriginal Australia but to scholars of race more generally especially in the burgeoning field of whiteness studies     *TV Guide* ,2001     **The News-letter of the Society for the Study of Southern Literature** Society for the Study of Southern Literature,1996
