Graduate Certificate in Museum Studies and Material Culture Reflection Essay

The Museum Studies Certificate Program introduced me to a wealth of perspectives on museological research and challenged me to think critically about the ethics of representation within cultural institutions and museum spaces. Obtaining a Master's degree in American Studies is part of a career change, and the Certificate program gave me the opportunity to step out of my academic comfort zone and apply my research processes to understanding cultural performance as a mode of presentation. As I am not a material culturalist, archivist, anthropologist or archeologist, my approach to the Certificate was perhaps a bit different than my fellow graduate students. With Dr. Judith Freidenberg's permission, I shaped my course of study around issues of research and performance instead of material culture or anthropological theory. When I enrolled in the program during my second semester, my mind was steeped in the topics of my Master's thesis: subcultural theory and performances of middle aged identities in nightclub spaces, and cultural performance was not yet on my academic radar.

During the Introduction to Museum Studies seminar, my interest was piqued by issues of shared curatorial authority and representation, particularly during the readings on the Smithsonian Folklife Festival, where I was introduced to the problematic issues of representation embedded in "exhibiting" living cultures, as well as the idea that curation can hold the possibility to reimagine power relationships - at least to some extent - in settings that go beyond the traditional brick and mortar museum setting which enshrines objects. My general approach to

**Becoming a Reflective**

**Practitioner** Christopher Johns, 2017-06-26 Christopher Johns is an internationally recognised pioneer of reflective practice in nursing and health care. *Nursing Standard: Becoming a Reflective Practitioner* provides a unique insight into reflective practice, exploring the value of using models of reflection with particular reference to Christopher Johns' own model for structured reflection. Now in its fifth edition, this book has been completely revised and updated to include up-to-date literature and reflective extracts. Contemporary in approach, this definitive text contains a variety of rich and insightful reflective extracts that support the main issues being raised in each chapter and challenges practitioners and students to question their own practice. Now with further scenarios and case studies included throughout, these extracts provide the reader with access to the experience of reflective representation, helping to explicate the way in which reflective practice can inform the wider notion of professional practice. With an increase in professional registration requiring reflective evidence, this new edition of *Becoming a Reflective Practitioner* is an essential guide to all those using reflection in everyday clinical practice.

**Essays At Home** S Bhushan, 2009-01-01 *Essays at Home: A Thought Provoking Collection of Essays on Society, Culture and Humanity* is an insightful compilation by S Bhushan designed to engage readers in meaningful discussions on a vast array of subjects. With a blend of modern perspectives and traditional insights, this book serves as an essential resource for students, professionals, and general readers who seek intellectual stimulation from the comfort of their homes. Covering a hundred diverse topics, it provides valuable knowledge and deep reflections on issues that shape our world. The collection touches upon crucial themes such as the caste system, constitutional reforms, social justice, and cultural transformations, making it a must-read for those preparing for competitive exams, interviews, and group discussions. Each essay is carefully structured to educate and challenge readers, encouraging them to think critically about societal norms, historical events, and the ever-changing dynamics of human interactions. Whether you are a student looking for academic guidance or a curious reader eager for thought-provoking material, this book offers something for everyone. Bhushan's writing is engaging, clear, and deeply analytical, ensuring that readers of all backgrounds can grasp the complexities of each topic. The book's comprehensive approach makes it an invaluable resource for intellectual growth and self-improvement. *At Home* is not just a book; it is an invitation to explore ideas, broaden perspectives, and develop a deeper understanding of the world we live in. An excellent collection of essays that are both informative and thought-provoking, S Bhushan's ability to tackle complex subjects with clarity and depth makes this book a must-read for students and general readers alike. Highly recommended for anyone looking to expand their knowledge on social and cultural issues. A well-curated selection of essays covering a wide range of topics. The book is particularly helpful for students preparing for debates and competitive exams. While some essays could have been more detailed, the overall content is engaging and insightful. This book offers a fresh and accessible way to explore important societal issues. The essays are well-structured and easy to read, making them perfect for both academic and casual reading. Some sections could have been more in-depth, but it is still a great resource for intellectual discussions. A good

collection but I found some essays to be too general While the topics are relevant and important I was hoping for a deeper analysis in certain areas Still it s a useful book for students and those interested in current affairs
