

Refugee Blues - Auden

Written in 1939 the poem deals with the escape of Jewish refugees from Nazi Germany.

They were the victims of vicious attacks.

My dear = a man talking to a lover/wife

Blues was a popular form of music, it is influenced by blues (the rhyme scheme). Blues has emotional intensity and a critic of society.

The first two lines of each stanza rhyme.

Society is unfair because *Jews don't belong anywhere*. The country they thought was fair now is treating them as a threat.

The world of nature has hope, while there is none in the world of man.

The state doesn't care for refugees, they are "*officially dead*". They are told to wait for another year.

In a political meeting people are complaining that *Jews will steal their bread*, and they are behaving badly.

The voice of *Hitler* is like that of a *thunder* and it frightens them.

A poodle has clothes to wear and a cat has a home to stay in = *they treat animals better than how they treat humans*.

Birds and fishes are free.

The final two stanzas are *dreamlike* = the *building* and the plain where soldiers are marching towards them.

The falling *snow* reflect the mood of the poem. The snow reminds us of something cold, hostile, unfriendly.

The poem has a *strong political message* = *refugees are people just like us* and they should be helped and respected. Refugees should have to face intolerance and uncaring attitudes.

Contrasting images:

- Mansions and holes
- Officially dead, yes still alive
- Love for pets and hostility for refugees

Historical

Six million Jews were murdered between 1933 and 1945.

1941 Jews had to wear the star of David.

Many tried to leave Germany, but *western countries set immigration quotas* that prevented an influx of refugees.

Even immigration to Palestine was limited by its British administration.

It even happened that some refugee ship were sent back to Germany.

Author

- Auden was born in York in 1907.
- He was deeply committed to social and political issues.
- In 1929 he went to Berlin where he witnessed the rise of Nazism.
- Even though he was a homosexual, he married Thomas Mann's daughter so that she could have a British passport and escape from Nazi Germany.
- In 1939 he moved to the USA because he feared persecution for his political ideas and his sexual orientation.

Debt and Redemption in the Blues Julia Simon,2023-04-18 This volume explores concepts of freedom and bondage in the blues and argues that this genre of music explicitly calls for a reckoning while expressing faith in a secular justice to come Placing blues music within its historical context of the post Reconstruction South Jim Crow America and the civil rights era Julia Simon finds a deep symbolism in the lyrical representations of romantic and sexual betrayal The blues calls out and indicts the tangled web of deceit and entrapment constraining the physical socioeconomic and political movement of African Americans Surveying blues music from the 1920s to the early twenty first century Simon s analyses focus on economic relations such as sharecropping house contract sales debt peonage criminal surety and convict lease She demonstrates how the music reflects this exploitative economic history and how it is shaped by commodification under racialized capitalism As Simon assesses the lyrics technique and styles of a wide range of blues musicians including Bessie Smith Blind Lemon Jefferson Big Bill Broonzy Muddy Waters B B King Albert Collins and Kirk Fletcher she argues forcefully that the call for racial justice is at the heart of the blues A highly sophisticated interpretation of the blues tradition steeped in musicology social history and critical cultural hermeneutics Debt and Redemption not only clarifies blues as an aesthetic tradition but more importantly proves that it advances a theory of social and economic development and change

Sunbelt Blues Andrew Ross,2021-10-26 An eye opening investigation of America s rural and suburban housing crisis told through a searing portrait of precarious living in Disney World s backyard Today a minimum wage earner can afford a one bedroom apartment in only 145 out of 3 143 counties in America One of the very worst places in the United States to look for affordable housing is Osceola County Florida Once the main approach to Disney World where vacationers found lodging on their way to the Magic Kingdom the fifteen mile Route 192 corridor in Osceola has become a site of shocking contrasts At one end global investors snatch up foreclosed properties and park their capital in extravagant vacation

homes for affluent visitors eliminating the county's affordable housing in the process. At the other end, underpaid tourist industry workers, displaced families, and disabled and elderly people subsisting on government checks cram themselves into dilapidated, roach-infested motels or move into tent camps in the woods. Through visceral frontline reporting from the motels and encampments dotting central Florida, renowned social analyst Andrew Ross exposes the overlooked housing crisis sweeping America's suburbs and rural areas where residents suffer ongoing trauma, poverty, and nihilism. As millions of renters face down evictions and foreclosures in the midst of the COVID-19 recession, Andrew Ross reveals how ineffective government planning, property market speculation, and poverty wages have combined to create this catastrophe. Urgent and incisive, *Sunbelt Blues* offers original insight into what is quickly becoming a full-blown national emergency. New York Blues Eric Brown, 2018-07-26

Hal Halliday runs a missing persons business in mid-21st century New York. It is a city that is drowning in refugees after terrorist outrages have left much of America a radioactive wasteland. People colour their grim lives with endless hours spent in VR. It is an addiction which has made VR magnate Sergio Mantoni a multi-millionaire. But now Mantoni faces a threat from a guerrilla group called VIREX who are dedicating to ending the false promise of VR. And when Hal accepts a job to look for the missing sister of a Holodrama star, he finds himself drawn into the complex world of VR and VIREX. *The Columbia Granger's Index to African-American Poetry* Nicholas Frankovich, David Larzelere, 1999

Responding to the enormous interest in African American literature, Columbia University Press is publishing a Granger's Index devoted exclusively to poetry by African Americans. To compile the Index to African American Poetry, a team of consultants identified the best, most widely available anthologies and volumes of collected and selected works. The result: this new index includes more than 11,000 poems by 659 poets. **Going to the Tigers** Robert Cohen, 2022-08-16

In this funny and perceptive collection, novelist and essayist Robert Cohen shares his thoughts on the writing process and then puts these prescriptions into practice: from how to rant effectively as an essayist and novelist, *The Piano Has Been Drinking*, how to achieve your own style, naming characters and creating them, how one manages one's own identity with being a writer in time and space, to the use of reference and allusion in one's work. Cohen is a deft weaver of allusion himself. In lieu of telling the reader how to master the elements of writing fiction, he shows them through the work of the writers who most influenced his own development, including Roth, Ellison, Kafka, and Robinson. Rooted in his own experiences, this collection of essays shows readers how to use their influences and experiences to create bold, personal, and individual work. While the first part of the book teaches writing, the essays in the second part show how these elements come together. *SPIN*, 2011-09

From the concert stage to the dressing room, from the recording studio to the digital realm, *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of *SPIN* pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, *SPIN* is your monthly VIP pass to all that rocks.

Migration and Refuge John Patrick Walsh, 2019 This book argues that contemporary Haitian literature historicizes the political and environmental problems raised by the 2010 earthquake by building on texts of earlier generations It contends that this literary eco archive challenges universalizing narratives of the Anthropocene with depictions of migration and refuge within Haiti and around the Americas
