Good-Vs-Evil Anastacia Burrell, 2018-12-29 God is there to save you from harm The devil can't take no more then you can't ever have in life on what you can have is yours in life who stands by the great waterfalls of life stands for ups and downs everything is meant for a reason because you wonder why your life is so block from others because something maybe missing in order to put common sense together which was unsaid and done that needs to be done so you cherish the memory of that day of your life every stone you can ever take and every breath in your body give it to god and glory and take a deep breath and praise God Trials must be mistaken because whatever you do or whatever you did it must be something or what you did needs to be fixed and prepared of a dislike compare to or a distance A distance is a challenge of course or a state of mind What people do for a living is the unit of life It's the bad things that you do that makes trials go wrong and bad rather than right One way it is or another and one way it doesn't What you do or what you don't do you pick up the pieces of the puzzles and get it right on time on the dot and line and you take a piece of the pie what you like and dislike and show and prove the way you want it You talk about the good old times and sometimes it's about

the wrong times of your life and the things you did in the past whether it be good or bad in your wildest dream life You take that and swipe your shoulders off The greater it is the badder it maybe It can be fixable that same day or a couple of days a head Trouble don t last always and not for long That s how it works and what should be done and you take it and fix everything that has been broken You stand forward to that and be strong and have strength and whatever that needs to be done and whatever that it is you can t do you don t have to do it or put up with it Be yourself and do all that you can do as possible and that s all you can do You cannot please everyone because it s gonna have a passing moment when you can do something or not and you will be tired of it It also includes fatal attraction breaking relationships tragedies boo thangs lover and friends blessings curses magic spells cast of spells Buddhism voodoo and many more *The Defective Delinquent Class* Guy G.
