

Perilous Promises A New Adult Romance English Edition

Mary Balogh

Perilous Promises A New Adult Romance English Edition:

Dangerous Families Matt Bernstein Sycamore, 2012-11-12 Queer survivors piece together the clues to discover their own lives Dangerous Families Queer Writing on Surviving goes beyond the recovery narrative to create a new queer literature of investigation exploration and transformation Twenty six stories illuminate the reality of growing up in fear struggling to rebuild lives damaged by sexual physical and or emotional abuse The book explores how abuse turns queer survivorsmale female and transgenderedinto healers heartbreakers and homicidal maniacs presenting brilliant stories that sear and soar Dangerous Families Queer Writing on Surviving addresses all forms of abuse head on representing a cross section of gueer survivors in terms of race class ethnicity education origin sexuality and gender Contributors use their own life experiences to create a book that takes back control from well meaning outsiders as they recount the daily struggle to overcome the damage done to their minds bodies and spirits in a world that denies their gender sexual and social identities From the editor Dangerous Families consists entirely of writing by survivors of childhood abuse That's rightno therapists analyzing our plight no talk show hosts exploiting usjust survivors exploring our complicated frightening and fulfilling lives These stories dispense with the usual technique of carefully massaging the reader's fragile worldview before plunging this unsuspecting innocent into a world of horror They go right to the horror the beauty and the joy often throwing the reader off guard revealing layers of meaning before the reader can step back Dangerous Families Queer Writing on Surviving is an anthology of 26 true stories of growing up queer in families that magnify the horrors of the outside world instead of offering protection The book is an essential read for therapists caseworkers cultural studies specialists and anyone struggling to survive childhood abuse

Esther (A Dangerous Beauty Novel Book #1) Angela Hunt,2014-12-30 When an ambitious tyrant threatens genocide against the Jews an inexperienced young queen must take a stand for her people When Xerxes king of Persia issues a call for beautiful young women Hadassah a Jewish orphan living in Susa is forcibly taken to the palace of the pagan ruler After months of preparation the girl known to the Persians as Esther wins the king s heart and a queen s crown But because her situation is uncertain she keeps her ethnic identity a secret until she learns that an evil and ambitious man has won the king s permission to exterminate all Jews young and old powerful and helpless Purposely violating an ancient Persian law she risks her life in order to save her people and bind her husband s heart Dangerous Ground Alison Kelly,2011-07-15 Give a girl a bad name Known as the Risque cosmetics girl Jacqui Raynor is now finding offers of modeling work hard to come by So when Patric Flanagan offers her a lucrative contract she s forced to accept Suddenly she s on dangerous ground in Patric s mind she really is the risqu girl and she s got to reform his opinion of her before her reputation is ruined and the man she loves walks out of her life forever The Registration of Aliens a Dangerous Project Max James Kohler,1926 Dangerous Adolescents, Model Adolescents Roger J.R. Levesque,2005-12-27 Teachers make a difference As someone who grew up in one of the po est and rural areas of a poor state and ended up attending elite graduate and professional schools I have much

to credit my public school teachers My teachers sure struggled much to teach an amazingly wide variety of students from different backgrounds abilities and hopes Given that re ity which undoubtedly repeats itself across the United States and globe one would think that I should be guite hesitant to criticize a system that produces countless grateful students and productive citizens I agree The pages that follow surely can be perceived as yet another attack on already much maligned schools that do produce impressive outcomes despite their limited resources increased obligations and the sustained barrage of attacks from competing interest groups Some may even view the text as an affront to the inalienable rights of parents to raise their children as they see fit Others surely could understand the analysis as another assault on our decentralized legal and school systems that should retain the right to balance the needs of communities parents schools and students I clearly did not intend and do not see the ultimate result as yet another diatribe on the manner teachers parents and communities <u>Dangerous Water</u> Ron Powers, 2001-10-08 While Mark Twain remains one of our most quintessentially treat students American writers the actual boyhood experiences that fueled his most enduring literature remained largely unexplored until now Twain's early years were a decidedly un innocent time marked by deaths of friends and family and his father's bankruptcy Twain dealt with those personal tragedies through humor and the tall tale From the time that a ten year old Samuel Clemens lit out on his own and boarded his first Mississippi steamer to his first encounter with a traveling mesmerizer which ignited his lifelong penchant for acting and spectacle from the brooding sense of guilt and fear of eternal damnation inculcated into him at church to the superstitions and stories of witchcraft he learned from the blacks on his farm Powers unforgettably shows how Mark Twain was shaped by the distinctly American landscape culture and people of Hannibal Missouri Jay Parini the celebrated biographer of Robert Frost called Dangerous Water a long needed evocation of the boyhood of the man who invented boyhood for all time An immensely shrewd and deeply engaging book a great gift to all **Dangerous Memories** Angela Winters, 2002-11-01 When Jena Doe a woman with amnesia is taken of us who love Twain in by a wealthy widow the widow s mistrustful son uncovers Jena s disturbing past and ultimately steals her heart

Promised Land Jay Parini,2010-01-12 In this lively exploration of America's intellectual heritage acclaimed poet novelist and critic Jay Parini celebrates the life and times of thirteen books that helped shape the American psyche Moving nimbly between the great watersheds in American letters including Walden Huckleberry Finn The Souls of Black Folk and On the Road Parini demonstrates how these books entered American life and altered how we think and act in the world An immensely readable and vibrant work of cultural history Promised Land exposes the rich literary foundation of our culture and is sure to appeal to all book lovers and students of the American character alike **Faith, Love, and Mercy** Richard R. Roach,2015-10-15 Faith Love and Mercy is a selection from the weekly homilies of noted moral theologian and pastor Fr Richard Roach SJ who retired from university teaching to lead a small island parish in his last decade His theologically rigorous yet accessible writing reflects decades long contemplation on the significance of Catholic identity in our modern era

Combining deep rooted wisdom with vigorous prose the homilies prompt the reader s own reflection on what it is to live the faith daily in a distracting and uncomprehending world Prominent themes include God's merciful love differences between Catholicism and Protestantism spiritual temptations in the contemporary culture the sources of authority faith and reason the Real Presence secular ideologies and anti Catholicism humility redemptive suffering the true meaning of repentance perseverance and providence Over a long ministry devoted to the Jesuit ideal Fr Roach strengthened or awakened the faith of many It is also hoped that this book combining theological vision with pastoral concern occasions serious meditation on one s own journey with God Recommended as a helpful source for students scholars clergy and laypersons interested in Catholic doctrine homiletics and liturgy **Dangerous Desire** Pamela Barnett, 2004-11-15 Dangerous Desire is an important work that calls attention to how post 1960s literary representations of rape have shaped the ways in which both sexual and social freedoms are imagined in American culture Exploring key post sixties texts including Cleaver's Soul on Ice Brownmiller's Against Our Will French s The Women s Room Naylor s The Women of Brewster Place Walker s Meridian and Dickey s Deliverance Barnett finds that the widespread literary explorations of rape were almost always conjoined with one or more of the radical social movements of the sixties civil rights black nationalism women s liberation and black feminism Sexual violence emerges in these texts when the transformative possibilities articulated by sixties era liberation movements trigger and intensify imbalances of power and cultural difference for example Eldridge Cleaver's claim that he lashed out against the white power structure by raping white women This book should be of considerable interest to students and scholars of 20th century American literature as well as American Studies and African American Studies scholars interested broadly in issues of sexuality race and violenc **A Christmas Promise** Mary Balogh, 2010-10-26 A love that cannot be bought or sold proves to be the greatest gift of all in this heartwarming classic that demonstrates once again why New York Times bestselling author Mary Balogh is among the most celebrated authors of historical romance Weddings are supposed to be joyous occasions especially when a couple seems as well matched as Randolph Pierce Earl of Falloden and his bride to be Eleanor Transome Ellie brings to the marriage a vast dowry while Falloden though distant is handsome tremendously desirable and possessed of a title most young ladies can only dream of sharing Yet Ellie is not most young ladies She knows that she must honor her dear father's dying wish for her to wed the proud earl but she dreads a lifetime in a union without love and how can Falloden claim to love her when he married her only for her fortune As Christmas descends upon the Falloden manor the warmth of the season may yet melt away the trappings of duty and wealth leaving behind only a man and a woman destined for each other s arms **Dangerous Journey Home** Michael Hunter, 2020-08-10 This is the story of the illegitimate son of a young immigrant woman who was on the run from her abusive husband It's the story of a child whose father died when the boy was only four It's about growing up with PTSD and alcoholism and abuse and family dysfunction It's about a man who thought he knew what God and Christianity is all about and yet he fell so far into sin that it destroyed everything in his life

and he ended up in prison It's also the story of how this same man finally realized one day that God exists and He truly loves us It s a story of a prodigal son hearing his true Father calling him to come back It s the story about one man s journey home to Father God It's a true story I know because I am that man Dangerous Children Kenneth Gross, 2022-10-27 Gross explores our complex fascination with uncanny children in works of fiction Ranging from Victorian to modern works Lewis Carroll's Alice in Wonderland Carlo Collodi's Pinocchio Henry James's What Maisie Knew J M Barrie's Peter and Wendy Franz Kafka s The Cares of a Family Man Richard Hughes s A High Wind in Jamaica Elizabeth Bowen s The Death of the Heart and Vladimir Nabokov s Lolita Kenneth Gross s book delves into stories that center around the figure of a strange and dangerous child Whether written for adults or child readers or both at once these stories all show us odd even frightening visions of innocence We see these children's uncanny powers of speech knowledge and play as well as their nonsense and violence And in the tales these child lives keep changing shape These are children who are often endangered as much as dangerous haunted as well as haunting They speak for lost and unknown childhoods In looking at these narratives Gross traces the reader's thrill of companionship with these unpredictable often solitary creatures children curious about the adult world who while not accommodating its rules fall into ever more troubling conversations with adult fears and desires This book asks how such imaginary children objects of wonder challenge our ways of seeing the world our measures of innocence and experience and our understanding of time and memory **Dangerous Attraction** Sera Blackmoor, 2025-06-04 He was trained to protect She was never supposed to be more than a mission Until desire changed everything Stefano lives by the rules As a decorated police sergeant and head of the Intelligence Unit he s dedicated his life to duty discipline and keeping danger at bay Nothing and no one has ever shaken his focus Until her When Ashley makes a desperate call for help Stefano answers without hesitation But the moment he lays eyes on the woman with angelic eyes and a haunted smile something shifts Protecting her becomes personal Taking her into his home was supposed to be temporary Falling for her was never part of the plan Now with danger closing in and lines blurring between right and wrong Stefano must make an impossible choice uphold the law or follow his heart Dangerous Hilarity Sioux Dallas, 2012-03-05 Dangerous Hilarity came about because identical twin boys were playful and mischievous One of them thought it was funny to play practical jokes and once almost lost his own life due to one of his jokes Follow the Jackson family as they travel across the United States from Virginia to Alaska It would be fun to get a map and follow their journey The three years they spent in Alaska were adventurous and entertaining It is heartwarming to grow with them and discover how they matured and learned to care for others and for animals as well About the Author Sioux Dallas a widow and a retired public school teacher has had many animals She has had cats dogs horses goats gerbils snakes and fish All of her dogs were rescued as were the cats She trained her dogs to be good guard dogs without being vicious One horse was dear to her heart and she grieved when he died He was a rescued horse as were a majority of hers She raised trained the horses and gave riding lessons. She gave free lessons to the blind and

mentally challenged Dallas is active in her church and has been a Bible teacher for many years Now in a wheelchair she writes books and loves to share with people about her experiences Her graduate studies were in Guidance and Psychology so she's a good listener and is happy to know she has helped someone **The Treacherous Net** Helene Tursten, 2015-12-15 It s May and the snow has hardly melted in G teborg Sweden but things are heating up guickly for Detective Inspector Irene Huss in the Violent Crimes Unit The body of a teenage girl is found in the woods naked and horrifically scarred Then there s the mummified body that is discovered bricked up in a chimney on a demolition site not to mention the city's ongoing problem with gang violence With the sudden influx of cases and one detective out on maternity leave everyone is stretched thin To make matters worse Irene feels more than a little intimidated by the new superintendent Efva Thylqvist who uses her sex appeal and smooth talking to bend the predominately male staff to her will Then a second young girl is found wearing what appears to be the other half of the sexy lingerie set recovered near the first body Fearing the two cases are linked and that the killer may strike again Irene and her colleagues embark on a desperate hunt that takes them deep into a shadowy world of anonymous online predators and insecure teenage girls on a deadly quest for affirmation Dangerous Rituals Herbert Anderson, Edward Foley, 2019-02-01 Shaping our journey into the Divine This moving and enlightening book presents us with a compelling vision of what can happen when we take the opportunity to connect stories and rituals a vision of individuals and communities transformed through a deeper sense of connection to our loved ones our communities and God Herbert Anderson and Edward Foley reveal how when stories and rituals work together they have the potential to be both mighty and dangerous mighty in their ability to lift us up and help us make these connections beyond ourselves and dangerous in challenging us to learn to live with complexity and contradiction They show how much more meaningful a baptism wedding or funeral can be when liturgy is made to include and recognize the personal stories of those involved Suddenly these familiar life cycle rituals are infused with new life as participants become connected in a narrative web linking past and present human and divine Newly created rituals can also help us connect our stories to the divine story giving meaning to what we experience and bringing us closer to God Ministers worship leaders and pastoral caregivers can use this approach to storytelling and ritual to find ways to bring together worship and pastoral care Digital Health and **Technological Promise** Alan Petersen, 2018-11-21 What is digital health And what are its implications for medicine and healthcare and for individual citizens and society Digital health is of growing interest to policymakers clinicians and businesses It is underpinned by promise and optimism with predictions that digital technologies and related innovations will soon transform medicine and healthcare and enable individuals to better manage their own health and risk and to receive a more personalised treatment and care Offering a sociological perspective this book critically examines the dimensions and implications of digital health a term that is often ill defined but signifies the promise of technology to empower individuals and improve their lives as well as generating efficiencies and wealth The chapters explore relevant sociological concepts and

theories changing conceptions of the self evident in citizens growing use of wearables online behaviours and patient activism changes in medical practices especially precision or personalised medicine and growing reliance on big data and algorithm driven decisions the character of the digital healthcare economy and the perils of digital health It is argued that for various reasons including the way digital technologies are designed and operate and the influence of big technology companies and other interests seeking to monetise citizens data digital health is unlikely to deliver much of what is promised Citizens use of digital technologies is likened to a Faustian bargain citizens are likely to surrender something of far greater value their personal data than what they obtain from their use However growing data activism and calls for algorithmic accountability highlight the potential for citizens to create alternative futures ones oriented to fulfilling human needs rather than techno utopian visions This ground breaking book will provide an invaluable resource for those seeking to understand the socio cultural and politico economic implications of digital health I'm Dangerous...I'm Not Gonna Lie Erin Smith, 2014-04-15 Celebrate the art of living loud with the sassiest smartest hottest gift book From Erin Smith a hip irreverent visual artist with a nationally distributed gift line and a unique pitch perfect look comes a mash up of art essays and laugh out loud observations designed to find humor in the everyday mundane Includes hilarious make your day guotes like The super girl cape is in the laundry you ll just have to take my word for it I m so damn happy it s like discovering blue cheese olives all over again As much as I try to be an easygoing stretch your wings and fly type I just can t stop trying to burst people into Dangerous Legacy Valerie Hansen, 2016-07-01 DEADLY HOMECOMING Someone flames with my mind and many more wants Maggie Morgan dead and her wildlife sanctuary destroyed Someone connected to the generations old family feud that s been revived now that her first love Flint Crawford has returned to town And not only is her life in jeopardy but Flint has discovered the secret she's kept since he left their five year old son Assailed by memories of their forbidden love and bowled over by the sight of the son he never knew Flint has a job to do as the new game warden But now the stakes are raised Not only must he protect the woman he once loved but he also has to save his son or die trying
