Since we have been managing real estate schools and developing curriculum for forty years we know how all this works or fails to work. PA RELEP is comprehensive in that it contains both key content review and testing practice. And the text review is Pennsylvania specific not just simplistic national content but terse, relevant and accurate. Pennsylvania laws and regulations presented as a well organized set of state key point reviews ideal for pre test memorization. But let's not dismiss the importance of the national content either. PA RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the
