Real Estate Principles: A Value Approach David Ling, Wayne Archer, 2006-11-07 Real Estate Principles A Value Approach demonstrates how value is central to virtually all real estate decision making including whether and how to lease buy or mortgage a property acquisition whether to renovate refinance demolish or expand a property and when and how to divest sell trade or abandon a property Students using Ling and Archer should finish the course with a value oriented framework and a set of valuation and decision making tools that can be applied in a variety of real world situations Real Estate Principles A Value Approach provides students and instructors with the most modern engaging and attractive textbook available on the subject with helpful pedagogical features unmatched by any other title

Real Estate Development Matrix Daniel B Kohlhepp, Kimberly J. Kohlhepp, 2018-02-02 This book presents a new way of thinking about teaching learning and practicing real estate development Real Estate Development Matrix describes the process in a two dimensional model and presents seven Development Stages which form the horizontal axis and eight sets of Development Tasks which form the vertical axis to define a 56 cell matrix In each cell money is spent and risks are taken to achieve certain tasks and thereby create or destroy value This holistic process considers the entire life cycle of real estate from its green field inception to its brown field state The book is written by a real estate developer and academic and the presented material is conceptual practical and non technical Jargon has been minimized as much as possible as the author introduces an entirely new model for real estate development that is both academically authoritative and developed in practice It is aimed at a general professional audience participating in the development process but equally the book is ideal for use as a textbook in undergraduate and graduate courses in real estate development and an excellent supplemental text for business courses discussing real estate finance and investment It may also be used as a textbook for professional courses workshops or seminars in real estate development The book is supported by an interactive website at <http://realestatedevelopmentmatrix.com>
