Dann Spader is a disciple maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves. Over 750,000 people in 80 countries have been trained to make disciples through organizations he has led. Through studying the life of Christ and His disciple making methods, Dann developed *4 Chair Discipling*, a simple picture for others to follow. Jesus' last words on earth had a few very specific instructions: Go, make disciples, baptize, and teach. But what does that mean for us today? Well, it's not easy. But it is simple. Teacher and leader Dann Spader explains disciple making as a process of moving people through four chairs from someone seeking to know more about Christ to someone who makes disciples themselves.

Chair 1: Come and See (John 1:39)  
Chair 2: Follow Me (John 1:43)  
Chair 3: Become a Fisher of Men (Matthew 4:19)  
Chair 4: Go and Bear Fruit (John 15:16)

In the process of His four-year ministry, Jesus realized that different people are at different stages of growth and development, and He works to challenge each of them to the next level. In *4 Chair Discipling*, you'll get a clear and simple picture of how to follow in Jesus' footsteps and do the same thing. Learn how to implement the *Like Jesus* series into your small group ministry and church to build a culture of disciple making. *Discipleship Book Two - for individuals, home groups and churches* Ian Traill M.Th., 2010

A Christian who does not study the Word of God will not be able to live to the fullness of what God has promised to him or her. The enemy is trying to steal away our peace and finally destroy us, hoping we will turn away from God. 2 Timothy 2:15: Do your best to present yourself to God as an approved worker who has nothing to be ashamed of, handling the word of truth with precision. In Scripture, we see we are to study His Word to be approved workers, which is right, but let us look at the second part of this statement: handling the word of truth with precision. The word precision has an implication of importance, and we need to know how to handle it in our defence against the enemy. We need to understand the Word of God clearly so that we can extinguish the fiery arrows of the enemy.

*Connect* Jonathan McKee, 2010-01-05

In an age where teenagers are deeply engaged in virtual communities and social networks, they're still feeling alone and isolated. It may sound all too simple, but the truth is that you have the opportunity to make a profound impact on the lives of students with the simple act of spending time with them one-on-one. Whether you're a volunteer or the lead youth pastor, getting some students to open up and share their lives can be a challenge. In this practical book, you'll learn the importance of connecting with students on an individual basis and get helpful ideas on how to engage a variety of students in meaningful dialogue. You'll explore and learn more about connecting with six different types of students, including The No Way Kid, The Not Interested Kid, The Checking Things Out Kid, The Stagnant Kid, The Growing Kid, and The Looking for Ministry Kid. *Connect* will walk you through the steps to lead you into relationships with students that go beyond the youth room and impact them into adulthood.
