Read The Book Of Revelation:

How to Read the Book of Revelation Ian Paul,2003 The Book of Revelation Susan Fournier Mathews,2009 A user friendly guide to reading and understanding the last and enigmatic book of the New Testament ideally suited for parish adult bible study groups and college level inquiry *The Final Exodus: Deciphering the Book of Revelation* Christine Paxson,Rose Spiller,2022-09-01 What is it about the Book of Revelation Some treat it like a futuristic comic book Some consider it is too complex to try to understand Some worry about getting the interpretation wrong or worse on getting it right Some read it trying to break the code as if John wrote the book in a secret code expecting Christians to try and crack it And then there are those who are terrified of the book and the images so they just avoid it altogether For them ignorance is bliss The Final Exodus is a theologically sound scriptural approach to the Book of Revelation Authors and podcasters Christine Paxson and Rose Spiller examine questions such as Where have we seen this before Is this passage meant to be taken literally symbolically or metaphorically Has this passage already been interpreted somewhere else in Scripture Does our conclusion of the passage line up with everything else in the Bible Is this passage telling us something new or is it a picture of something already seen in the Old Testament or in other parts of the New Testament Using the same careful and systematic exegesis that should be used for interpreting all books of the Bible The Final Exodus brings clarity and understanding to a book that is often misinterpreted in chaotic and irresponsible ways **Revelation's Rhapsody** Robert Lowery,2006 This excellent resource is designed to help the Bible student study the book of Revelation It is not a commentary but guide to effective accurate study of this very important book of the Bible **Behold, Jesus Is Coming!** Kay Arthur,David Arthur,2002-06-15 Yes the everyday Christian can understand the book of Revelation This clear helpful study encourages readers to delve into this important scripture and by studying it inductively let the text speak for itself **Bible Lessons on the Book of Revelation** John R. Rice,2000-08 Edwin Talbot,2000-03-01 **Revelation for the Layman** Harold Cox,2008 In his new book Revelation for the Layman Rev Harold Cox s readers will find many answers to their questions Cox not only uses in depth scripture references to back up his claims he connects to his readers on a personal level using a practical yet very engaging voice As a minister Cox realizes that The Book of Revelations is perhaps the most mysterious book in the Bible throughout the ages Coxes wrote Layman with the word objectivity in mind in that he be factual true and stay accurate to scripture I have endeavored to be honest unto all men **The Book of Revelation (Volume One)** Chip Brogden,2020-11-17 Experience the Book of Revelation from the perspective of hope not hype When I was about eight years old a boy in my Sunday school class at St James United Methodist Church told me that the Bible predicted that the Russians would defeat the United States in World War III To support this claim he quoted a verse allegedly from the Book of Revelation The eagle and the bear will wage war and the bear will defeat the eagle and rule over the earth He couldn t produce the chapter and verse for this however so being skeptical of a Bible quote without attribution I read the Book of

Revelation straight through looking for a verse about the bear and the eagle Of course I found no search verse My little Sunday school friend is hardly alone in anxiously repeating what he had probably heard from an equally anxious but ill informed adult This experience instilled in me an important lesson at a young age take nothing that anyone says about the Bible for granted but study it for yourself and come to your own conclusions This is especially true when it comes to the Book of Revelation the most sensationalized overly hyped misquoted and confusing book in the whole Bible Part of the reason for this I believe is a certain morbid curiosity and fascination with end of the world teachings and the understandable desire to know what the future holds While I did not understand everything I read in the Book of Revelation the first time through even as a child I got the general impression that contrary to the doom and gloom I was expecting the Book had a happy ending I came away with the assurance that Good would conquer Evil in the end That is still my impression and my assurance to you today and although forty years have passed since I first began to read and study the Book my hope has only increased with the passage of time My goal is to help you see the Book of Revelation differently not as book of hype but as a book of hope not as a book of destruction but of restoration not as a book of fear but of faith in the goodness and greatness of God and of the preeminence of Christ in the last days The key premise is that God wants to save the world not destroy it In the end He will not only make all things new Rev 21 5 but God will wipe away every tear from their eyes there shall be no more death nor sorrow nor crying There shall be no more pain for the former things have passed away Rev 21 4 This wonderfully good news tends to get lost in the popular focus on judgment and the mark of the beast though this has a place Exactly how God will overcome all this evil and accomplish such a glorious outcome makes this study so interesting In this book the first of two volumes I pass along to you the things I have seen and heard from the Lord Yet I give you the same advice that I followed so many years ago take nothing I say for granted but study it for yourself and come to your own conclusions Amen Even so come Lord Jesus Rev 22 20b **Revelation** John Ortberg, 2001-12-30 This study is designed to help readers find a humble biblical balance as they learn study and look closely at the book of Revelations **Celebrate King Jesus** Dr. Bonnie L.

Westhoff, 2016-07-28 Many refer to the Book of Revelation as the book of the Tribulation However in reality it is the time for the coronation of King Jesus Many people ask why God keeps Satan on the earth but are afraid to read the Book of Revelation which is an account of when Jesus does finally remove him from the earth The Book of Revelation is the only book where God ensures a blessing to those who read it Gods plan was always to know Him and dwell with Him God has been long suffering as He has given every opportunity to every generation to come to Him and make their dwelling place with Him Col 1 23 No one knows the day or the time when Christ will come for His Church Mt 24 36 but that will be the time of the Book of Revelation The Greek word for Revelation is apokalypsis and means an unveiling The word is singular only one person is revealed Christ Throughout the New Testament we saw Jesus as our Savior but now He comes to rule the world It is only now that Jesus receives His inheritance as the King of the Kingdom of God The Church the bride of Christ will rule and reign with

King Jesus throughout the Millennium The bride will share in the inheritance of King Jesus This book has an overview in the introduction and before each chapter to understand how everything fits chronologically in time sequence The intent is that it is easy to read and the focus is to see the big picture before the details are explained All Scripture in Revelation is included as well as Scriptures within the Bible that prophesy each event that will occur **Revelation** Woodrow Kroll,2006-05-01 The fourteen lessons in this Bible study guide offer the opportunity to see Christ in his holiness and glory through the prophecy of the end times The Revelation of Jesus Christ Lynn Hiles,2007 For anyone struggling to understand John s writings in Revelation this book provides true Biblically based answers Through detailed insight into the letters John wrote to seven churches of his day you will learn how to avoid the inherent pitfalls of the first Adam mentality to overcome today s trials and tribulations The more you understand the Book of Revelation the more you will be disarmed of the fears intimidations rhetoric and flood of information spewing from the dragon s mouth This overflow of propaganda has kept the human family afraid to even read the Book of Revelation when in fact it is the only book in the Bible that declares a built in blessing to those who read and understand it Book jacket **Revelation** M.R. DeHaan,2015-05-07 Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Rev 1 3 Behold I come quickly blessed is he that keepeth the sayings of the prophecy of this book Rev 22 7 The author of the book of the revelation is Jesus Christ Rev 22 16 The Lord intended that this book should be read and studied especially by His people Rev 1 3 It is not a sealed book as many suppose but one which is open and easy to understand Rev 22 10 Bearing these facts in mind we find the study of Revelation to be fascinating illuminating and deeply profitable instead of difficult and confusing The messages in this volume constitute thirty five radio sermons which were preached first over the Mutual Network and by foreign and short wave stations around the world from August 1945 to April 1946 The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume Hence this book No attempt has been made to present an exhaustive verse by verse exposition of the book but rather we have tried to present the general outline the basic structure and the framework We have dwelt at length on certain passages because they constitute the pillars of the book Our purpose is to present clearly the general outline and structure and then the details will fall naturally into their proper places If certain simple rules are followed in reading and studying it the book of the Revelation becomes clear logical and easily understood We present here a few rules which should be observed before studying the book 1 Revelation is not a dark book It is a revelation 2 It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole 3 Observe the rule of literal interpretation The greatest curse of the Christian Church is the evil of spiritualizing the Bible Although there are many symbols and signs in the book as in every other book and in our daily conversation the context indicates whether a passage is

to be interpreted literally or symbolically Interpret literally except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign 4 Approach the Book with a fresh mind Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding Thousands of believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand Study the book for yourself 5 Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book Never read a portion of scripture without first asking Him for light and guidance We submit for your help the following simple outline of Revelation Remember these five rules as you study it If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details Grand Rapids Michigan M R DeHaan
