G. Collingwood: A Research Companion** James Connelly,Peter Johnson,Stephen Leach,2014-11-20 R G Collingwood is an important 20th century historian archaeologist and philosopher whose works are the subject of continued interest analysis and study There is an unquestionable need to support this research activity with the provision of a reference guide which is fully up to date informed and authoritative The Companion therefore lists all primary and secondary material relevant to the study of Collingwood in all his fields of expertise historical theory philosophy and archaeology It also provides a guide to archive material relevant to his life together with sources and locations The resulting volume is an essential companion to the understanding of the life and thought of R G Collingwood *“Something that I read in a book”: W. B. Yeats’s Annotations at the National Library of Ireland* Wayne K. Chapman,2022-02-12 This book is a resource to enable scholars and students in Yeats studies to explore the materials in his library which together with his unpublished papers and manuscripts forms part of the writer s archive in the National Library Generally this first volume describes the evidence that he and his wife George left in books by other authors including extensive indications of close reading and thinking on a surprising range of subjects This book could not have been written without the generous participation of the Yeats family over many years Their legacy now entrusted to the National Library is robust and endless in potential This book is about individual cases but also the building of an oeuvre In short this book enriches our understanding of Yeats s accomplishment as a writer in over fifty years of creative effort and nearly seventy four years of abundant life
