A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry. Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness. Filling this gap, *The Branch Exposition of the Bible* is a resource for preachers, scholars, and ordinary Christians alike to help open God's word and shed its light into life, ministry, and teaching. Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa, India, and the West, Michael A. Eaton helps us understand the meaning of the Bible and taste its fruit. Together with the New Testament volume, this exposition of the Old Testament accessibly engages with the biblical languages, gives application for our lives, and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture.
