**Ascension of Christ** Patrick Schreiner,2020-07-29 It s essential to the Gospel but we rarely talk about it The good news of Jesus includes his life death resurrection and future return but what about his ascension Though often neglected or misunderstood the ascension is integral to the gospel In The Ascension of Christ Patrick Schreiner argues that Jesus work would be incomplete without his ascent to God s right hand Not only a key moment in the Gospel story Jesus ascension was necessary for his present ministry in and through the church Schreiner argues that Jesus residence in heaven marks a turning point in his three fold offices of prophet priest and king As prophet Jesus builds the church and its witness As priest he intercedes before the Father As king he rules over all A full appreciation of the ascension is essential for understanding the Bible Christian doctrine and Christ s ongoing work in the world Science Fiction and the Dismal Science Gary

Westfahl,Gregory Benford,Howard V. Hendrix,2019-12-10 Despite the growing importance of economics in our lives literary scholars have long been reluctant to consider economic issues as they examine key texts This volume seeks to fill one of these conspicuous gaps in the critical literature by focusing on various connections between science fiction and economics with some attention to related fields such as politics and government Its seventeen contributors include five award winning scholars five science fiction writers and a widely published economist Three topics are covered what noted science fiction writers like Robert A Heinlein Frank Herbert and Kim Stanley Robinson have had to say about our economic and political future how the competitive and ever changing publishing marketplace has affected the growth and development of science fiction from the nineteenth century to today and how the scholars who examine science fiction have themselves been influenced by the economics of academia Although the essays focus primarily on American science fiction the traditions of Russian and Chinese science fiction are also examined A comprehensive bibliography of works related to science fiction and economics will assist other readers and critics who are interested in this subject **Summary of Dr. Steven Novella's The**
