The 'Foreignness' of the Foreign Woman in Proverbs 1-9 Nancy Nam Hoon Tan, 2008-12-10 This study is on the figure and also commonly called the Strange Woman in Proverbs 1 9 It is an attempt to understand the meaning which defines her and the origin and development of her motif The first part argues against defining her as a sexual predator but as an ethnic foreigner according to the lexical studies of and It traces her origin within the Hebrew scripture the legal documents and especially to the DtrH s portrayal of foreign women wives Hence it distinguishes the two motifs the motif of the adulteress and the motif of the foreign woman the latter which symbolizes the temptation to apostasy The study will then go on to explain how the writer of Proverbs 1 9 employs this motif of the foreign woman in his poetic composition The second part tracks the development of this motif through the subsequent Jewish Wisdom literature and observes how it changes and loses the foreignness of her original motif in Eccl 7 26 4Q184 LXX Proverbs Hebrew Ben Sira Greek Ben Sira and finally disappears in Wisdom of Solomon It proffers to understand this gradual transformation against a background of social and religious change

into 1 & 2 Kings Andrew Sach, Alasdair Henderson, 2025-01-23 Everyone knows what we mean when we talk about the kingdom. Except we don't. Different visions of the kingdom abound and some of them are just plain wacky. Join Andrew Sach and Alasdair Henderson in this journey through 1 and 2 Kings utilising the Dig Deeper tools to unearth the surprising nature of the kingdom of God from these lynchpin Old Testament texts. God wants us to work hard at reading the Bible in order to discover its true meaning. Hence the use of tools to help us dig and dig again. It's an interactive process. Indeed the authors want to make finding the treasure in 1 and 2 Kings a possibility for everyone. This is a book to help you read the Book. Or at least an important part of it. My number one recommendation for individuals or groups wanting to study these important books of the Bible. Nancy Guthrie. The Dig Deeper books are a cross between a sermon but showing a bit more of the preacher's work behind the scenes, a commentary but often more humorous than that, and an interactive workbook. There are a few over to you moments. Each book uses the same set of tools: context, structure, repetition, Bible timeline, and so on, that will train you in how to read the Bible better for yourself. The Dig Deeper books invite you to read the Bible well with a range of tools. Find out more here: <https://digdeeper.tools>
