Seeking Integrity in Teacher Education Ann Katherine Schulte,2008-11-01 In this book a teacher educator examines her practice as a way of learning about teaching as well as challenging teacher education It is about how one teacher educator sought to transform the perspectives of her student teachers in order to better prepare them to teach diverse populations of students while challenging her own beliefs about how best to do that The author seeks integrity in her practice defined as her ability to enact what she teaches preservice teachers to do In particular this book is a self study that contributes to understanding the broader question How much can one affect and change the discourse within education when one also inhabits the characteristics that are privileged by the institution The teacher education literature supports the need to study this type of self reflection Other researchers have pointed out that the role of teacher educators cultural identities in reforming education has been largely ignored in the literature This book offers a unique perspective on the analogous relationship involved when a teacher educator teaches teachers how to examine the impact of their own identities on their teaching while examining that herself

body is undergoing JoAnna relapses into damaging old habits and thought patterns When she confides in her doctor that she s struggling with depression and suicidal ideation he tells her she must stop being so selfish given she has a baby on the way and start taking antidepressants Appalled by his patronizing tone and disregard of her mental health history JoAnna instead turns to Martin for guidance adopting the artist s doctrine of joyful solitude and isolation JoAnna heads to Taos where Martin lived for decades and gives herself three weeks to model her hermetic existence phone off email off no talking to her husband no touching the dog Out of a deep solitary engagement with a remarkable artist s body of work emerges an entirely new way for JoAnna to relate to the contradictions of her own body and face up to the joys and challenges of impending motherhood

Broken Lion Devon Hartford, 2016-07-31 The law says I can't love her I don't care what the law says I'm gonna love her anyway Lion Maxwell FEEL THE BEAST The night the EMTs wheeled Lion Maxwell into my Emergency Room turned my life upside down Although he was bloody and battered from defending his title as the reigning cruiserweight champion of Mixed Martial Arts his cocky grin lit up the room And every cell in my body Our fiery chemistry was off the charts The ER staff sensed it Lion's entourage and his drooling groupies sensed it too SHE SAID SHE DIDN'T WANT ME SHE WAS WRONG If the two of us had been alone I might have done something entirely unprofessional and completely unethical right there in the exam room But I was his attending physician A sexual or romantic relationship with him was grounds for my termination or worse revoking my medical license I wouldn't risk my career on a moment of passion It didn't stop that arrogant caveman from doing everything he could to get me into his hospital bed WANTING HIM WOULD RUIN ME After denying his advances for weeks the last thing I expected were the wild nights he would be spending in my bed It was supposed to be nothing more than a secret fling I knew it couldn't last He was still my patient What we were doing was wrong If anyone found out it could ruin my life But we couldn't let go We were bound to each other on some primal level that consumed us Sometimes love is tragic Sometimes two people aren't meant to be together But sometimes two people overcome all adversity and build a love that lasts forever Deep in my heart I knew that Lion Maxwell could be my forever love As long as we kept our love a secret I wish I'd known beforehand that some secrets are too hard to keep Broken Lion is a scorching hot standalone romance with an HEA and no cheating
