

Laboratory Activity 42 — Student Laboratory Packet **Making Connections** **A Laboratory Activity for the Living Environment**

Measuring Connections

In this online laboratory, students are given feedback on answers to the online test. But students themselves have selected their progress reports to be shared. Whether their progress indicates all learning objectives met or some progress is still being made, the information is provided to all stakeholders. This online virtual assessment is a study of the progress that you as students have made in your learning and their learning.

Following and explaining connections to new or other topics involves a solid understanding of the world around you. It is a learning goal to understand connections to the world around you. It is a learning goal to understand connections to the world around you. It is a learning goal to understand connections to the world around you. It is a learning goal to understand connections to the world around you.

In this part of the laboratory activity, you will make a list of connections that you have made and your connections. You will make a list of connections that you have made and your connections.

Activity

Students in the online laboratory activity are given feedback on answers to the online test. But students themselves have selected their progress reports to be shared. Whether their progress indicates all learning objectives met or some progress is still being made, the information is provided to all stakeholders. This online virtual assessment is a study of the progress that you as students have made in your learning and their learning.

Another online laboratory activity is given feedback on answers to the online test. But students themselves have selected their progress reports to be shared. Whether their progress indicates all learning objectives met or some progress is still being made, the information is provided to all stakeholders. This online virtual assessment is a study of the progress that you as students have made in your learning and their learning.

Students in the online laboratory activity are given feedback on answers to the online test. But students themselves have selected their progress reports to be shared.
