Egyptian defiance of the great powers of the past marked the high point of Arab nationalism Despite the importance of the Suez conflict almost no comprehensive military history of it exists This book changes this by presenting a clear comprehensive narrative of the conflict with a special emphasis on the military decisions and the short and long term results of the conflict both tactical and strategic military and political *History for the IB Diploma: The Arab-Israeli Conflict 1945-79* Jean Bottaro,2012-08-02 Tailored to the requirements and assessment objectives of the syllabus they provide opportunities for students to make comparisons between different regions and time periods Optimal Birth - What, Why and How (3rd UK Ed) Sylvie Donna,2010 A book to help midwives and other health care professionals think through the practicalities of optimising pregnancies and births After explaining precisely how optimal is defined nine reasons are presented to justify why this kind of birth is best Finally key practical issues are considered and reflective questions provided so as to give caregivers a clear basis for clinical practice wherever their place of work This easy read accessible book which is fully referenced is equally useful for students of midwifery or obstetrics or medicine generally practising midwives doulas and maternity care assistants This third edition includes changes based on feedback and some additional material **From Poverty to Power, 2nd Edition** Duncan Green,2012 From Poverty to Power argues that a radical redistribution of power opportunities and assets rather than traditional models of charitable or government aid is required to break the cycle of poverty and inequality The forces driving this transformation are active citizens and effective states Published in association with Oxfam GB *The Making of the Oxford English Dictionary* Peter Gilliver,2016-09-22 This book tells the history of the Oxford English Dictionary from its beginnings in the middle of the nineteenth century to the present The author uniquely among historians of the OED is also a practising lexicographer with nearly thirty years experience of working on the Dictionary He has drawn on a wide range of sources including previously unexamined archival material and eyewitness testimony to create a detailed history of the project The book explores the cultural background from which the idea of a comprehensive historical dictionary of English emerged the lengthy struggles to bring this concept to fruition and the development of the book from the appearance of the first printed fascicle in 1884 to the launching of the Dictionary as an online database in 2000 and beyond It also examines the evolution of the lexicographers working methods and provides much information about the people many of them remarkable individuals who have contributed to the project over the last century and a half **Disease Control Priorities, Fourth Edition (Volume 1)** Ala Alwan,Mizan Kiros Mirutse,Pakwanja Desiree Twea,Ole Norheim,2025-03-06 Building on the foundation of the three previous editions of Disease Control Priorities DCP published from 1993 through 2019 this new fourth edition DCP4 uses a country specific approach based on collaboration to summarize produce and help translate economic evidence into better priority setting and capacity strengthening for universal health coverage public health functions pandemic preparedness and response and intersectoral and international action for health Volume 1 Country Led Priority Setting for Health presents the overall lessons learned in defining and

implementing essential health service packages EHSPs The volume is divided into three parts that highlight successes and failures and the way forward Part 1 focuses on the experiences of selected countries in developing their EHSPs including Afghanistan Ethiopia the Arab Republic of Iran Malawi Pakistan Somalia and Zanzibar Nigeria s Lancet Commission India s Ayushman Bharat Health System Reforms the success and failures of Colombia s health benefit package and the evolution of priority setting in Mexico Part 2 presents cross cutting insights on the development and implementation of EHSPs based on the experiences of Afghanistan Ethiopia Pakistan Somalia Sudan and Zanzibar It includes key steps and parameters for successful development and implementation lessons learned related to costing and financing monitoring and evaluation and the role of the private sector in the development and delivery of EHSPs Part 3 presents three case studies cross national experiences on child health and development during school age and adolescence the next 7 000 days as well as the implementation of both the DCP3 essential noncommunicable diseases and surgery packages

The Idea of World Government James A. Yunker, 2011-02 There is much discussion in contemporary international relations about global governance but where did this idea originate what are its intellectual antecedents and does it have a realistic future This book is a concise yet comprehensive account of the intellectual history of world government up to the present day

JFK Revisited James DiEugenio, 2022-07-05 Based on Oliver Stone s documentary JFK Revisited read the transcripts and interviews that will change the way you think about the John F Kennedy assassination JFK Revisited Through the Looking Glass contains the two working original screenplays for Oliver Stone s JFK Revisited both the two hour version Through the Looking Glass and the four hour version Destiny Betrayed These films are the first documentaries to feature the work of the Assassination Records Review Board The Assassination Records Review Board worked from 1994 98 releasing records that the government has classified in whole or in part on the assassination of President John F Kennedy They ended up releasing about two million pages or approximately sixty thousand documents They also pursued an investigation into the autopsy and medical evidence in the JFK case Although their releases and discoveries were quite important to the evidentiary record they received very little exposure in the mainstream media They also released documents relating to Kennedy s foreign policy in both Cuba and Vietnam In the former case these were plans by the Pentagon to create a pretext to invade Cuba In the latter documents proved Kennedy was implementing a withdrawal plan from Vietnam This book is unprecedented It contains a compendium of information originating from the widest range of authorities on the JFK case ever assembled This includes luminaries from several fields pathology surgery ballistics criminal investigation neurology history and journalism Never before have people like forensic pathologist Cyril Wecht criminalist Henry Lee Professor James Galbraith author David Talbot journalist Jefferson Morley intelligence analyst John Newman Professor Robert Rakove and more appeared in one book never have this many illustrious authorities been interviewed about their views on the policies and the assassination of President John F Kennedy The book also includes important witness interviews with Dr Donald Miller about his colleague Malcolm

Perry Jim Gochenaur of the Church Committee and Edwin McGehee of both the House Select Committee on Assassinations and the Jim Garrison investigation The combination of this newly released information plus expert interviews changed the database and calculus of the JFK case The scripts are included in this book which were the backbone for Oliver Stone s films It also includes important excerpts from the many interviews which did not make it into the final cuts of the films JFK Revisited will challenge everything you thought you know about the JFK assassination Kick the Bucket and Swing the Cat Alex Games,2011-01-31 Kick the Bucket and Swing the Cat takes a humorous tour through the fascinating sometimes tragic and often surprising history of the English language and its etymology Author humorist and word sleuth Alex Games uncovers the trends innovations and scandals that have shaped the meanings of our most popular words and expressions from Chaucer to Internet jargon and Ancient Greek to American slang Who was the original Jack the Lad Gordon Bennett or Bloody Mary Where do dodgy geezers and hooligans come from What are skeldering dithering and sabre rattling This amusing but rigorously researched account of English words and their origins combines the findings of the major BBC TV series and the nationwide Wordhunt and is an entertaining treasure trove for English language lovers everywhere *The Geopolitics of American Insecurity* Francois Debrix,Mark Lacy,2009-01-13 This edited volume examines the political social and cultural insecurities that the United States is faced with in the aftermath of its post 9 11 foreign policy and military ventures The contributors critically detail the new strategies and ideologies of control governance and hegemony America has devised as a response to these new security threats The essays explore three primary areas First they interrogate the responses to 9 11 that resulted in an attempt at geopolitical mastery by the United States Second they examine how the US response to 9 11 led to attempts to secure and control populations inside and outside the United States resulting in situations that quickly started to escape its control such as Abu Ghraib and Katrina Lastly the chapters investigate links between contemporary regimes of state control and recently recognized threats arguing that the conduct of everyday life is increasingly conditioned by state mobilized discourses of security These discourses are it is argued ushering in a geopolitical future characterized by new insecurities and inevitable measures of biopolitical control and governance **Encyclopedia of Conflicts since World War II** James Ciment,Kenneth Hill,2012-12-06 This copiously illustrated A Z reference presents the most in depth information available about the various conflicts the world has endured local regional and international since World War II Some 142 conflicts are discussed and analyzed The Encyclopedia of Conflict since World War II with its coverage of all the countries of the world fills a critical need for clear comprehensive explanations of events not covered in such detail in any other reference source Entries end with an extensive bibliography and the encyclopedia includes maps chronologies and a general bibliography as well as an index designed to make the reader understand the correlation and relationships between individual conflicts **The Origins of the Second World War** Richard Overly,2016-06-17 Exploring the reasons why the Second World War broke out in September 1939 and why a European conflict developed into a war that

spanned the globe The Origins of the Second World War argues that this was not just Hitler's War but one that had its roots and origins in the decline of the old empires of Britain and France and the rise of ambitious new powers in Germany Italy and Japan who wanted large empires of their own This fourth edition has been revised throughout covering the origins of the war from its background in the First World War to its expansion to embrace the Soviet Union Japan and the United States by the end of 1941 Creating a comprehensive and analytical narrative while remaining a succinct overview of the subject this book takes a thematic approach to the complex range of events that culminated in global warfare discussing factors such as economic rivalry rearmament and domestic politics and emphasising that any explanation of the outbreak of hostilities must be global in scope Containing updated references and primary source documents alongside a glossary a chronology of key events and a Who's Who of important figures this book is an invaluable introduction for any student of this fascinating period

Global Health Kevin McCracken, David R. Phillips, 2012-07-26 The health of human populations around the world is constantly changing and the health profiles of most nations in the early twenty first century global health landscape are unrecognizable compared with those of just a century ago This book examines and explains these health changes and considers likely future patterns and changes While the overall picture charted is one of progress and improvement certain unfortunate regressions and stubbornly persistent health inequalities are equally shown to be part of the evolving patterns of global health The chapters of the book are organized in three major parts The first part introduces readers to the principal concepts of global health and to the idea of populations having distinctive health profiles In particular it explores how those profiles can be measured and how they change using the umbrella concepts and theories of epidemiological and health transition Building on the first section the second part focuses on the evolution of health states as well as paying particular attention to the reasons for the many subnational inequalities in global health It also examines health challenges such as the continuing infectious disease burden and current emerging epidemics The final part transports readers from the current health scene to future possible and probable health scenarios acknowledging the challenges presented by global environmental change as well as issues centred around geopolitics and human security Using clear and original explanations of complex issues this text makes extensive use of boxed case studies and international examples with thought provoking discussion questions posed for readers at the end of each chapter *Global Health* is essential reading for students of global health public health and development studies

Seventy Weeks Prophecy: How the Bible Foretold the Year Jesus(As) and Muhammad(Saw) Will Come on Earth Pedro C. Arceno Jr, 2020-09-10 Volume One of this book will discuss about the true gospel of Jesus as which is about the imminent coming of the Son of Man and the establishment of the universal Kingdom of God on earth We will emphasize the fact that the entire ministry of Jesus as is all about the good news of the imminent fulfillment of the Son of Man Prophecy and the Kingdom of God Prophecy of Prophet Daniel as written in the Bible Based on the correct context and interpretation the Son of Man mentioned by Jesus as refers to Prophet Muhammad saw and the

Kingdom of God refers to Islam Volume Two will discuss about the fulfillment of the 70 Weeks Prophecy of Prophet Daniel as That this prophecy is actually a countdown to know the year Jesus as and Muhammad saw will come on earth Jesus as is expected to arrive in the 69th Week of the countdown and Prophet Muhammad saw will arrive in the 70th Week of the countdown Its exact fulfillment in history such as the year of their birth the starting year of their ministry and the year their respective messianic mission will be accomplished is a miracle or sign from Allah swt Qur an 20 133 and a clear evidence Qur an 61 6 attesting the veracity of the prophethood of both Jesus as and Muhammad saw This will explain to us why there are Jews who knew what time or year Jesus as will arrive on earth and why there were Jews in Yathrib Arabia who knew what time or year Muhammad saw will emerge as Messenger of God *Europe on the Brink, 1914* John E. Moser,2020-05-15 The assassination of Archduke Franz Ferdinand on June 28 1914 by a Serbian nationalist has set off a crisis in Europe Since the Congress of Vienna in 1815 peace had largely prevailed among the Great Powers preserved through international conferences and a delicate balance of power Now however interlocking alliances are threatening to plunge Europe into war as Austria Hungary is threatening war against Serbia Germany is allied with Austria Hungary while Russia views itself as the protector of Serbia Britain is torn between fear of a German victory and a Russian one France supports Russia but also needs Britain on its side Can war be avoided one more time Europe on the Brink plunges students into the July Crisis as representatives of the European powers What choices will they make *Preaching to Nazi Germany* William Skiles,2023-09-05 Preaching to Nazi Germany explores the history of Confessing Church preachers engagement with the Nazi regime through an analysis of their sermons William Skiles argues that clergy expressed various messages that aimed to limit Nazi interference in church affairs and at times even to undermine the Nazi state and its leaders and policies Skiles demonstrates that pastors had limited freedom to publicly criticize the Nazi regime its leaders and its ideology and that pastors often used Christian symbols to code their criticisms to remain inconspicuous to the Gestapo or Nazi informants This book demonstrates how pastors used a sacred text and applied it to the problems of the churches in Nazi Germany
