English in Non-English-Speaking Countries Marjana G. Vaneva, 2022-04-13 Living in a modern world and being surrounded by the newest advances in technology today s English language teachers see the process of learning English as completely different compared to when they learnt it themselves In addition linguists today proudly witness the different usage of the language that portrays the playful nature of English supported by its creative speakers and users This book presents a collection of English language teachers practices and challenges of teaching English to their non native English students in which they portray their perceptions of the teaching learning process These experiences will provide the reader with a perspective on what contemporary teaching of this language in a non English speaking country looks like As such this collection will serve as a guidebook for new scholars in the field

Second Language Writing Instruction in Global Contexts Lisy Seloni, Sarah Henderson Lee, 2019-10-11 This book revisits second language L2 writing teacher education by exploring the complex layers of L2 writing instruction in non English dominant contexts i e English as a foreign language contexts It pushes the boundaries of teacher education by specifically examining the development of teacher literacy in writing in under represented L2 writing contexts and re envisions L2 writing teacher education that is contextually and culturally situated moving away from the uncritical embracement of Western based writing pedagogies It explores and expands on writing teacher education how language teachers come to understand their own writing practices and instruction and what their related experiences are in non English dominant contexts across the globe Chapter 4 is free to download as an open access publication under a CC BY NC
