America I AM Black Facts Quintard Taylor, 2009-02-02 Time is the great equalizer No person race culture or nation stands beyond its reach or can alter its inevitable progress Timelines lists of events in chronological order as they happened allow us to understand the historical past as the evolution of events and eras In the case of African American history which has often been subject to blatant and subtle distortion a timeline can both set the record straight and expand our knowledge in new and exciting ways America I AM Black Facts a companion volume to the four year touring museum exhibition America I AM The African American Imprint created by Tavis Smiley offers an introduction to the rich complex tragic and triumphal history of the forty million people of African descent over five centuries in what is now the United States This fascinating volume features six timelines that chronicle the indelible imprint African Americans have made on the life history and culture of the United States and the world

Teaching Global History Alan J. Singer, 2012-04-27 Teaching Global History challenges prospective and beginning social studies teachers to formulate their own views about what is important to know in global history and why It explains how to organize the curriculum around broad social studies concepts and themes and student questions about humanity history and the contemporary world All chapters include lesson ideas a sample lesson plan with activity sheets primary source documents and helpful charts graphs photographs and maps High school students responses are woven in throughout Additional material corresponding to each chapter is posted online at http://people.hofstra.edu/alan_j_singer The traditional curriculum tends to highlight the Western heritage and to race through epochs and regions leaving little time for an in depth exploration of concepts and historical themes for the evaluation of primary and secondary sources and for students to draw their own historical conclusions Offering an alternative to such pre packaged textbook outlines and materials this text is a powerful resource for promoting thoughtful reflection and debate about what the global history curriculum should be and how to teach it

Bridging the Early Modern Atlantic World Caroline A. Williams, 2016-04-15 Bridging the Early Modern Atlantic World brings together ten original essays by an international group of scholars exploring the complex outcomes of the intermingling of people circulation of goods exchange of information and
