**Pee Wee Gaskins** John Chandler Griffin,2010 *PEE WEE Serial Killer or Homicidal Maniac* O. Grady Query,2014-03  
Pee Wee Gaskins killed without hesitation and apparently without remorse over and over again He did so as he meandered in and out of maximum security prisons where he spent more than half of his life Sentenced to reform school at age thirteen he honed his skills in the use of extreme violence The horror of his crimes is played out against the backdrop of one of the most rural areas of South Carolina during the tumultuous change from absolute segregation to forced integration In a lifestyle of absolute lawlessness Gaskins exercised a bizarre charismatic control over the women who surrounded him and ruled his little gang of miscreants with violence and murder Sometimes driving a hearse and bragging of a private graveyard he maintained a macabre and confusing presence to those he encountered Diminutive at five feet three inches and one hundred thirty pounds he feared no man and struck fear in most Undaunted by arrests and imprisonment he conducted a crusade of murder and mayhem over nearly three decades and killed more than fifty people His motives were as varied as his methods **PEE WEE** Grady Query,2014-09-15 Volume II of PEE WEE Serial Killer or Homicidal Maniac focuses on the courtroom drama of his several trials and appeals Readers that enjoy trial strategy courtroom personalities and the cloakroom maneuvering of the criminal courts will find a plethora of intriguing twists and turns Seemingly foregone outcomes are reversed by national events or by the local politics of the farmlands of South Carolina that stubbornly resist change It is replete with excerpts from actual trial transcriptions and transcripts of out of court statements given under oath Despite his numerous murder convictions Gaskins manages time and again to avoid the death penalty in real life by virtue of unexpected events that could seemingly occur only in fiction Told by an attorney intimately involved in the cases there are pithy descriptions of battles fought in and out of the courtroom on the one hand and on the other of the camaraderie between adversaries Both often lead to unpredictable outcomes Pee Wee Gaskins describes the murders to which he will plead guilty in his own words At the same time by either omission or outright lies he avoids the inclusion of those murders for which he does not want to admit responsibility Finally in one of the most incredible crimes imaginable the tiny killer foils the safeguard systems of a maximum security penitentiary to murder a fellow death row inmate with plastic explosives **The Making of a Serial Killer** Danny Rolling,Sondra London,2011-02-01 The man convicted of the vicious murders of five college students in Gainesville Florida discusses his motivations and actions in committing the crimes reflects on what made him into a killer and his struggle to come to terms with what he did Original IP **Reforming Criminal Justice** Matthew T. Martens,2023-10-16 Noted Attorney and Seminary Graduate Matthew T Martens Answers the Question Does the Design and Operation of the American Criminal Justice System Reflect Christian Love of Neighbor Jesus told his followers that the entirety of the Old Testament s law is encapsulated in the commands to love God and to love their neighbors as themselves In Reforming Criminal Justice A Christian Proposal Matthew T Martens argues that love of neighbor must be the animating force for true reformation of the

criminal justice system obligating us to seek the best for both the criminally victimized and the criminally accused Using his theological training Martens reveals how Scripture provides several guideposts accuracy due process accountability impartiality and proportionality for loving our neighbors as it relates to criminal justice Then drawing on his near quarter century practicing criminal law he examines how America s justice system falls short of the biblical standard By understanding how our current system operates and considering how love of neighbor relates to issues of crime and justice we will be better equipped to seek true Christian reform of the justice system

**A Biblical Perspective on Criminal Justice** Offers a biblical framework for thinking about the concept of justice for both the victim and the perpetrator Examines the History of the American Criminal Justice System Surveys the evolution of the criminal justice system in the United States with a focus on its misuse from the time of the Civil War to the civil rights movement Assesses the Criminal Justice System Examines the operation of the American justice system today including plea bargains assistance of counsel the death penalty and more Foreword by Derwin L Gray Pastor of Transformation Church in Indian Land South Carolina and the author of *How to Heal Our Racial Divide and Building a Multiethnic Church* **Serial Killers at the Movies** Christopher Berry-Dee,2020-11-12 The depraved crimes of both real and imagined serial killers and mass murderers have long transfixed us in newspapers and books but perhaps nowhere more so than on the big screen Films such as *Silence of the Lambs* *Psycho* and *Henry Portrait of a Serial Killer* have not only reached huge audiences but also allowed us into the minds of society s most disturbed individuals Bestselling author Christopher Berry Dee talks to the serial killers whose wicked stories have most thrilled and fascinated us at the movies and through far ranging and disturbing interviews he tells the stories of the mass murderers who provided the inspiration for some of cinema s most shocking films *Serial Killers at the Movies* takes the reader on an uncomfortable and truly dark journey into a lurid world of murder and deviancy **Maximum Rocknroll** ,2000-11 **New Statesman Society** ,1993-05 **Literary South Carolina** Edwin C. Epps,2004 **The Most Evil of Them All** Sam Human,2023-06-01 Most serial murderers undeniably spring from abusive or neglected childhoods and or are potentially predisposed to various genetic sociopathic or schizophrenic afflictions rendering the root cause of their murderous behaviour a complex lethal combination of factors What is less credited however is the role of pathological narcissism and narcissistic personality disorder NPD in the making of a serial killer Narcissistic rage sexual narcissism necrophilia and cannibalism are all driven by a need to control and satisfy a grandiose sense of entitlement for personal pleasure and of those narcissistic rage is possibly the most dangerous factor of all in the understanding of serial rape and murder In this riveting book the author explores the role of NPD through the lived experiences of various serial murderers and showcases the profiles of both infamous and lesser known serial offenders from South Africa and around the world From the blatant callous criminality of the likes of Jason Rohde Dr Wouter Basson and Henri van Breda to the unspeakable cruelty of serial rapists and murderers like Ted Bundy Jeffrey Dahmer Kobus Geldenhuys the Norwood killer and Don Steenkamp the

Griekwastad murderer this book reveals the role pathological narcissism might have played in some of the most notorious and gruesome criminal cases of our times Just one warning Don t read this book at night *Pee Wee Serial Killer or Homicidal Maniac* O.
