

TEAM MEMBER PEER EVALUATION FORM

EACH TEAM MEMBER IS TO SUBMIT THEIR OWN PEER EVALUATION FORM

This semester you worked with other students on completing a group project. Please rate yourself and your team members on the relative contribution made to preparing and presenting the project. *Your ratings will be confidential and anonymous.* Be honest on this evaluation!

In rating yourself and your team members, use a one- to five-point scale, where **5 = superior**, **4 = above average**, **3 = average**, **2 = below average**, and **1 = really weak**. Add the scores to obtain a total score for yourself and the other group members. Put any comments you like on the bottom or back of this page. Fold this sheet when you complete the ratings below. Thank you.

Put your name and your team members' names ALPHABETICALLY in the spaces provided, one name at the top of each column.

Skills Mania Bob Davis, 2000 In *Skills Mania* Bob Davis argues passionately that the emphasis in the secondary school classroom must shift from a technocratic skills based approach to teaching and discussion that focuses on real substantive issues He also calls for a new emphasis on the teaching of history a practice that has been sadly lacking in recent years Two central qualities warm up this book first the story is told through the author s own teaching and second the author presents us with an original and frank point of view This is a stirring engaged and practical book

If this is Social Studies, why Isn't it Boring? Stephanie Steffey, Wendy J. Hood, 1994 The provocative title of this book plays on a too familiar response from teachers and students alike But now many teachers have begun to seek an approach to social studies that takes account of the ways children learn and that builds on their own knowledge and strengths The authors in this book have found ways to do this Wendy Hood writes in the Introduction that they have not only rediscovered social studies education in general they have also found themselves exploring the many disciplines of the social sciences that combine to make social studies The issues of the disciplines are visible the content of the disciplines is visible and the questions central to each discipline are central in these classrooms While the studies described began in one discipline they branched out or melted into one or more of the others In this contributed collection twenty three teachers explain their successful strategies for teaching the social studies disciplines in a whole language context If This Is Social Studies covers contemporary subjects the Gulf War traditional topics students as historians well known projects Scottish Storyline social studies in the community and multicultural matters Teachers at elementary through middle and high school levels will find this book s holistic approach to social studies a refreshing departure and a source of new practical ideas Indeed the diversity of ideas and styles is as broad as the book s subject
