White Kids Margaret A. Hagerman,2020-02-01 Winner 2019 William J Goode Book Award given by the Family Section of the American Sociological Association Finalist 2019 C Wright Mills Award given by the Society for the Study of Social Problems Riveting stories of how affluent white children learn about race American kids are living in a world of ongoing public debates about race daily displays of racial injustice and for some an increased awareness surrounding diversity and inclusion In this heated context sociologist Margaret A Hagerman zeroes
