From Pentecost to the Triune God Steven M. Studebaker, 2012-12-19 In *From Pentecost to the Triune God* Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to Trinitarian theology *From Pentecost to the Triune God* also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation **Ideas for 52**

tendency to foster identities that transcend national and cultural contexts **Every Child Welcome** Katie Wetherbee, Jolene Phile, 2019-03-21 A guide to children's ministry that serves families with special needs Jesus set a high standard when He said Let the little children come to me and do not hinder them for to such belongs the kingdom of heaven The call is not limited to children who will sit quietly at His feet and listen who color between the lines who raise their hands and wait to be called upon and who work at grade level Children's ministries are responsible to be ready to bring children with disabilities to Jesus feet too Every Child Welcome is the guide for leaders and volunteers to assist in purposeful planning and skill development for a ministry inclusive of children with unique needs Experienced children's ministry leaders and parents of special needs children themselves the authors are superbly equipped to offer a thoughtful thorough approach to creating a positive environment for children one where all children will be able to digest the important concepts being taught For leaders and volunteers Every Child Welcome will provide the knowledge and tools to create a welcoming environment before kids arrive welcome children and set a positive tone help children learn more effectively by connecting new information to what they already know reinforce the main idea of a lesson building background knowledge and reviewing important concepts supplement instruction with hands on activities to increase attention and participation reinforce and wrap up an activity effectively *Dive In!*, 2009 When the call comes for a last minute early elementary Bible study don't hesitate to get your feet wet Dive In You've got everything you need right here for quick and easy Sunday school lessons or Wednesday night meetings These thirteen Bible FunStuff lessons require minimal prep time and provide maximum flexibility Each can be customized to last as long as you need fill an hour or stretch the lesson over several days Either way there are plenty of age appropriate creative ideas designed especially for kindergartners and first graders including finger plays and rhymes high energy playtime activities Pint Size Bible facts Scripture memory take home reproducibles even snack ideas Dive In works well with any size group or situation large groups small gatherings activity stations even family time or individuals Flexibility is the key teach the way you want while keeping kids engaged and focused on God If you're on tap to teach early elementary this week don't worry just Dive In **Pentecostal Preaching and Ministry in Multicultural and Post-Christian Canada** Steven M. Studebaker, 2019-11-07 Over the past forty years Canada has become an increasingly secular multicultural and religiously plural society Indeed the church in Canada and Pentecostals in particular face a challenging context for responding to the call to bear witness to Christ in the power of the Holy Spirit Like the disciples on the day of Pentecost however we need the Holy Spirit to come upon us and liberate us from our post Christian pessimism We need the Holy Spirit to enable us to proclaim the gospel to the nations people that are no longer at the ends of the earth but making their home in Canada This book engages this new context and considers and proposes ways that pentecostal Christians and churches can respond to the challenges of the increasingly post Christian multicultural secular and religiously plural context of Canadian society **Pentecost** Emilio Alvarez, 2023-04-25 Pentecost is one of the most misunderstood days on the church

calendar In this Fullness of Time volume Emilio Alvarez offers us a rich biblical and theological introduction to the day of Pentecost and sets it in its liturgical context not only in the Protestant tradition but also in Catholic Orthodox and Pentecostal expressions

Pentecostal Churches in Transition Shane Clifton,2009-05-20 The global growth of Pentecostal movements during the course of the twentieth century has been widely documented although to date there has been little written on their developing ecclesiology After making the case for a concrete rather than idealised approach to ecclesiology this book describes and analyses the transitions that have framed the ways in which Australian Pentecostals have understood church life and mission From a loosely knit faith missions movement to congregational free church structures to the so called apostolic models of mega churches Australian pentecostalism stands as a microcosmos of ecclesial developments that have occurred throughout the world This book therefore provides a means of reflecting upon what has been gained and lost in the process of ecclesiological change
