

Pentecost

Acts 2:2

When the day of Pentecost came they were all together in one place. All of a sudden there was a mighty rushing wind that came in and filled the whole house. Then there appeared a tongue of fire over there heads. They were all filled with the Holy Ghost and began to speak with other tongues as the Spirit gave them utterance. Other men that didn't speak there language heard them in their own language. They were astonished and wondered how this could be. Its the Holy Ghost that gives power like this. It was being poured out on them.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
