it Do you have the courage to read it Prepare for a perception reboot that will stretch your current worldview to breaking point The book also features 364 pages demolishing the Covid 19 hoax including 142 pages exposing the Covid 19 vaccine crime against humanity Why do people think what they do How do we see the world How are we manipulated to see the world and current events Reality Check dives deep into the human psyche to examine human perception and how to set our minds and therefore our world free The book explores how human perception is formed maintained and perpetuated and thus provides the ultimate answer to true freedom Daniel Ford reveals the mechanisms of mass manipulation and control and thus the keys to set ourselves free We live in extraordinary times and face the most enormous challenge to our individual and collective freedom We either stand up now and take back our perceptions to take back our freedom or stay silent and regret it forever with the children and grandchildren of today taking the consequences It s time for a Reality Check
