**How To Coach Youth Football** HowExpert, John Seagroves, 2013-01-15 We hear the reports and see the video all too often youth coaches and officials assaulted fights breaking out at youth sporting events and parents and coaches losing control over what should be a child's game It doesn't have to be that way What we don't see are the thousands of youth football coaches who do it the right way teaching the game and the ethos of the game to children who love to play Coaching youth football can be one of the most exciting exhilarating and rewarding experiences It takes a tremendous amount of hard work and an ability to communicate with other coaches players and parents but there are few things to compare with watching young people compete and win or learn lessons that will help them for a lifetime Teaching the game of football goes far beyond the white lines beyond the techniques of blocking and tackling Along with learning the fundamentals of the game young people learn teamwork sportsmanship responsible leadership and the need to work hard and prepare to reach goals To avoid being one of those trapped in a nightmare a youth coach must master the ability to relate to both players and parents Above all a coach must communicate It is important that parents trust the coach After all parents are submitting their child to a game that is by its very nature physically brutal Parents need to trust that the coach will have the best interests of the team and their child in mind at all times When those interests collide parents need to know why a coach makes certain decisions and how that will affect their child Along with communicating with adults youth football coaches must be experts in understanding and relating to children Youth football players have very little concept of the actual fundamentals of the game They see a college or professional game on television and see long passes break away runs or big hits and the thousands of people who cheer while players celebrate This is far from the reality of the game Coaches must be able to demonstrate and teach fundamentals Big plays come out of the ability to be fundamentally sound and being

fundamentally sound takes hour upon hour of watching listening and practicing In the NFL and increasingly in college success is defined by wins and losses The bottom line is paramount This isn't necessarily different at the youth level the bottom line is simply wider Wins and losses are important and no one wants to play for a loser But if a youth coach is successful they create not only wins on the field they also help to create joy in the hearts of children and parents players who learn how to play and how to be leaders and most of all a successful youth coach gives players the building blocks to be successful in life About the Expert John Seagroves has taught and coached at the middle school level for over a decade in eastern North Carolina He and his wife Corrie live in Rocky Mount They have one daughter Elizabeth who is an outstanding student and athlete in her own right He has coached football in four different school systems In that time his football teams have compiled a 784 winning percentage He has led football softball and basketball teams to county and conference titles in the process More importantly he is proud of the overwhelming success his players have had in the classroom many going on to study and earn college degrees at some of the most prestigious universities in the region Mr Seagroves would like to thank Coach Todd Brewer of Nash Central High School for his contributions on offensive philosophy for youth football and on how to establish expectations in your program Coach Brewer and Mr Seagroves spent several years coaching together and much of the information in this book evolved from that partnership HowExpert publishes quick how to guides on all topics from A to Z by everyday experts [MultiCultural Review](#) ,2006 *I'll Play These* Bob Markus,2011-07-19 Writing in a golden age of sports Bob Markus like a Zelig or a Forrest Gump was present at many of the most famous or infamous sports events of that time He was there for the Franco Harris Immaculate Reception for the tragic 1972 Munich Olympics and the stunning upset of the United States basketball team by the Russians with an assist by the game officials for the over hyped Bobby Riggs Billie Jean King tennis match for the first Muhammad Ali Joe Frazier heavyweight Championship Fight and several college football so called games of the century The athletes he interviewed and wrote about included Ali Joe Frazier Michael Jordan Jack Nicklaus Arnold Palmer Roberto Clemente Mario Andretti and Joe DiMaggio Here are many of his best columns and stories interspersed with the story of his own sports writing life You'll read of the day Ali admitted to him he was afraid each time he stepped in a ring and of the tragic 1973 Indianapolis 500 in which driver Swede Savage a good friend was killed And you'll read about office politics and behind the scenes maneuvering that resulted in one man's journey from ecstasy to angst
