

**5. SALON SPACE REQUIREMENTS:**

If a salon does not meet the minimum space requirements, a space variance may be requested. *All salons must be separated from any other businesses by permanent walls or partitions and the entire salon area must be adjoining.*

If your salon consists of more than one large area (i.e. separate rooms or an L shaped room) please list the dimensions of each room/area with the total square footage of each room on a separate piece of paper clearly labeled and attached to this application

---

**MINIMUM WIDTH REQUIREMENT FOR ALL SALONS = 10 FEET**

---

NUMBER OF LICENSEES:	1	2	3	4	5	6	7	8	9	10	11	12
REQUIRED SQUARE FEET:	180	240	300	360	420	480	540	600	660	720	780	840

*For each additional licensee, an additional 60 square feet is required.*

The Pennsylvania Cosmetology Law [Act of May 3, 1933, P.L. 242, No. 86, CL. 63, Section 9.3] now allows the practice of massage therapy within the approved area of a cosmetology salon or esthetician salon.

---

**6. HOW TO REQUEST A LAVATORY OR SPACE VARIANCE**

If your salon does not comply with the required width or total square footage, or if the lavatory is not located within the salon square footage or is not exclusively for use of the salon patrons, you may request a variance. To request a variance, you must submit:

- A. A written request for a variance – please explain why you are requesting the variance and the particular information requested below.
  - B. A sketch which must be on 8½" x 11" paper.
  - C. For *Lavatory variance*: a revised sketch showing the location of the lavatory in relation to your salon. This sketch must include the distance, in feet and inches, to the lavatory.
  - D. Written directions from the shop to the lavatory. You must identify all rooms through which they must pass.
  - E. A statement as to whether the lavatory is for the exclusive use of salon patrons.
  - F. If the lavatory is not exclusively for use by the salon patrons, indicate the number of businesses sharing the lavatory, the approximate number of employees and patrons from those businesses who will be using the lavatory on a daily basis and the nature (i.e. type) of business.
  - G. For *Space variance*: a revised sketch showing the dimensions of your salon for every wall. The sketch should include doors, windows, stations and lavatory and any exempt rooms.
  - H. If the salon is to have room(s) exempt from licensure (such as for massage), indicate on a sketch the entire facility and the rooms to be exempt. These areas must have doors that close and are clearly labeled for the public and bureau inspectors.
- 

**7. DELETING PARTNERS:**

If you are **ONLY** deleting partners, do NOT complete this application. You will need to complete the Salon Changes Application (45-CB200).
