

USAD Pentathlon 2015–2016 Competition Year

The curricular theme for 2015–2016 is “India” which runs parallel to the high school Academic Decathlon® theme. The Pentathlon competition is comprised of five academic events: Fine Arts (Art and Music), Literature, Mathematics, Science, and Social Science exams. Part of the Literature score is a written essay.

The Pentathlon consists of a self-contained curriculum for the subjects listed above, and the materials will be available for downloading in PDF documents only beginning in mid-September 2015. *The fee for registering your team and receiving your site license for downloading materials is \$250.00. In addition, there will be a \$10 charge per team member for the online testing during the year. The featured novel this year is Rudyard Kipling’s “The Jungle Book” (Bantam Classics ISBN 978-0553211993).*

All competitions for the USAD Pentathlon except for the National competition will be held online and are strictly voluntary. Competitors are eligible to win team and individual medals for their efforts during the Regional, State and National competitions.
