---

### MULTIPLE CHOICE

1. The nurse is using the population health promotion model to develop actions for improving health. After asking, "On what should we take action?"; "How should we take action?"; and "Why should we take action?" the nurse will ask which of the following questions?
  - a. "With whom should we act?"
  - b. "When should we take action?"
  - c. "Which government should take action?"
  - d. "Where should we first act?"

ANS: A

The next question to ask when using the population health model approach is "With whom should we act?" The other choices are not questions included in this model.
