Russian Revolution Notebook Guide:

Russian Revolution of 1917 Sean N. Kalic, Gates M. Brown, 2017-09-21 Combining reference entries and examination of primary documents from the Russian Revolution this book gives students a better understanding of how and why political forces fought to reshape the Russian empire 100 years ago and provides keen insights into the Soviet Union that resulted This invaluable reference guide provides an understanding of the social political and economic forces and events in Russia that led to the 1905 Russian Revolution in which leftists radicals disposed of the Czar and his regime It addresses key developments such as the formation of the provisional government the Bolshevik Revolution in October 1917 and the Russian Civil War connected evolutionary historical events that fundamentally reshaped Russia into the Soviet Union This book serves students and general readers seeking a single source that provides in depth coverage of the Russian Revolution and the Russian Civil War Beyond the reference entries the book contains primary documents that cover the key events people and issues that emerged during Russia s revolutions and Civil War These documents give readers a more detailed understanding of how the Bolsheviks used calls for greater democracy to gain support for their revolution how the Bolsheviks used terror and control as means to maintain their power once the Bolshevik Revolution took place and why the Bolsheviks believed such extreme measures were needed Also included is a chronology of major events from 1890 through 1923 and a bibliography that serves as a starting point for more directed research

A Guide to the Study and Use of Military History John E. Jessup (Jr.), John E. Jessup, Robert W. Coakley, 1979 This Guide to the Study and Use of Military History is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study It is not a work to be read and lightly tossed aside but one the career soldier should read again or use as a reference at those times during his career when necessity or leisure turns him to the contemplation of the military past

A Guide to the Study and Use of Military History John E. Jessup, 1979

Reader's Guide to the Social Sciences Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of

March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state Readers' Guide to Periodical Literature Anna Lorraine Guthrie,Bertha Tannehill,Neltje Marie Tannehill Shimer,1919 **A Guide to Scholarly Resources on the Russian Empire and the Soviet Union in the New York Metropolitan Area** Robert A. Karlowich,2019-07-12 Identifies collections held by public and university libraries historical societies and other institutions as well as private collections with material relating to any subject and historical period and to the widest geographical area under imperial or Soviet rule Includes movements for example **Reference Guide to Russian Literature** Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **Guide to the YIVO Archives** Yivo Institute For Jewish Research,2019-08-08 YIVO founded in 1925 in Wilno Vilnius is a center for scholarship on East European Jewish history language and culture During the 1920s and early 1930s a network of YIVO affiliates was established across Europe and the Americas including one in New York which became the institute s new home when YIVO was reestablished in 1940 by members of its board who had escaped from Nazi occupied Europe This is the first repository level finding aid to the archives over 1 400 collections of the YIVO Institute for Jewish Research in New York It includes a brief history of the institute and archives descriptive entries on each collection a detailed index of key words and subject headings and information on the archive s basic services Archives in Russia: A Directory and Bibliographic Guide to Holdings in Moscow and St.Petersburg Patricia Kennedy Grimsted,Patricia Kennedy Grimstead,2016-04-01 This is a comprehensive directory and bibliographic guide to Russian archives and manuscript repositories in the capital cities of Moscow and St Petersburg It is an essential resource for any researcher interested in Russian sources for topics in diplomatic military and church history art dance film literature science ethnology and geography The first part lists general bibliographies of relevant reference literature directories bibliographic works and specialized subject related sources In the following sections of the directory archival listings are grouped in institutional categories Coverage includes federal ministerial agency presidential local university Academy of Sciences organizational library and museum holdings Individual entries include the name of the repository in Russian and English basic information on location staffing institutional history holdings access and finding aids More comprehensive and up to date than the 1997 Russian Version this edition includes Web site information dozens of additional repositories several hundred more bibliographical entries coverage of reorganization issues four indexes and a glossary Readers' Guide to Periodical Literature ,1919 The Russian Revolution Dennis R. Papazian,1958 State and Revolution V. I. Lenin,Todd Chretien,2015-01-19 State and Revolution is an indispensable guide to confronting the political and bureaucratic structures that protect the power and position of the world s elites and suffocate the lives of the vast majority of humanity It has been considered essential reading for generation after generation of revolutionaries and

this fully annotated edition offers an essential guide to contemporary activists trying to work through and adapt its conclusions to our present conditions Much of Valdimir Ilyich Lenin s most famous and most misunderstood book was written in July of 1917 while its author was on the run and plagued by fears that the revolution would be swallowed by the forces of reaction waging a war to restore Russia s Tsar By 1918 when this small notebook on Marxism and the State was first published the autocracy was no more and the centuries old apparatus of repression it had used to sustain its rule had been smashed to bits by the collective power of Russia s working class and peasantry In part because it was forged in the crucible of revolutionary foment and in part because the state continues to be the guardian of the same inhumane systems of exploitation and oppression that Lenin thundered against State and Revolution has offered inspiration and invaluable lessons to anti capitalists the world over But this small book was very much a product of its time written for a specific context with a focus on certain questions over others Because of this any contemporary reader attempting to absorb State and Revolution s numerous lessons without a guide travels a perilous road This new edition from Haymarket Books features an extensive introduction hundreds of explanatory annotations and an invaluable glossary of key figures and terms by Todd Chretien all of which help place Lenin s work in its historical context Chretien deftly offers an accessible account of the most important people parties and debates within the socialist movement of Lenin s time and provides a map to navigating the book s most controversial points
