[A User's Guide to the Meade LXD55 and LXD75 Telescopes](#) Martin Peston, 2010-04-28 I have owned telescopes for over 25 years since I was a young lad I purchased an LXD55 AR 6 Refractor in 2002 and was one of the first to own one in the UK I am also a proud owner of an LXD75 SC 8 Armed with these two very different telescopes I have spent many hours searching the skies for interesting objects using Meade's Autostar Goto facility My motivation to write a book about the LXD Goto telescope series first came from comments about an LXD55 AR 6 Refractor review that was published on the LXD55 com website From then on I have had regular emails from people asking technical questions about the telescope and which model is best suited for them Whilst attending Star parties in the UK I found that many LXD owners would

struggle to use them even at a basic level especially if they have never owned or used an equatorially mounted Goto telescope before Since the first LXDM55 models came out in early 2002 owners have struggled to find useful information to help them use the telescopes to the best advantage There have been mixed reactions about its quality and performance Hence this book is directed towards those who are new to Goto and the LXDM telescope **The ShortTube 80 Telescope** Neil T. English,2019-09-14 Welcome to the first comprehensive guide to one of the world s most popular telescopes the ShortTube 80 refractor With its ultra portability versatility and relatively low cost this telescope continues to delight generations of stargazers Starting in the field under a dark sky the author walks the reader through a typical evening of stargazing where the ShortTube 80 brings many astronomical treasures into focus From there he provides an in depth account of the optical properties of the ShortTube 80 refractor and the accessories and mounting arrangements that maximize its potential both as a spotting scope by day and an astronomical scope by night The main text discusses how the versatile ShortTube 80 can be used to study deep sky objects the Sun the Moon bright planets and even high resolution projects where the instrument s features can be optimized for the observation of tight double and multiple stars It explores how the ShortTube 80 can image targets using camera phones DSLRs and dedicated astronomical CCD imagers Packed with practical advice gained from years of firsthand stargazing experience this book demonstrates exactly why ShortTube 80 has remained a firm favorite among amateur astronomers for over three decades and why it is likely to remain popular for many years to come The Vixen Star Book User Guide James Chen,Adam Chen,2015-10-01 This book is for anyone who owns or is thinking of owning a Vixen Star Book Ten telescope mount or its predecessor A revolution in amateur astronomy has occurred in the past decade with the wide availability of high tech computer driven Go To telescopes Vixen Optics is leading the way by offering the Star Book Ten system with its unique star map graphics software The Star Book Ten is the latest version of computer telescope control using star map graphics as a user interface first introduced in the original Star Book first offered in 2003 The increasingly complicated nature of this software means that learning to optimize this program is not straightforward and yet the resulting views when all features are correctly deployed can be phenomenal After a short history of computerized Go To telescopes for the consumer amateur astronomer market Chen offers a treasury of technical information His advice tips and solutions aid the user in getting the most out of the Star Book Ten system in observing sessions Your Model Horse Collection Reference Guide 2017 Kristin Chernoff,2017-07-04 Breyerfest 2017 Edition When I had 100 models I could still remember what I owned When I had 300 models I computerized my records and crated the first version of this list That was years ago Breyer had added thousands of new models and hundreds of new molds New and old companies have come and gone or changed names I m always looking for more information especially for companies and models not listed in this book Detail start to escape me was that the bay with 3 socks and black hooves or the bay with 3 socks and pink hooves of the bay with 4 socks version There is just too much information to remember I m an avid collector

When I first started in the hobby there were no books available just box catalogs This book is meant to be a record of YOUR collection It is meant to be written in You can mark if you own it or just want it You can even write in a name for your model under the notes section See you at Breyerfest Galaxy S5: The Missing Manual Preston Gralla,2014-07-16 Get the most out of Samsung s Galaxy S5 smartphone right from the start With clear instructions from technology expert Preston Gralla this Missing Manual gives you a guided tour of Samsung s new flagship phone including great new features such as the fingerprint scanner heart rate sensor and Download Booster You ll get expert tips and tricks for playing music calling and texting shooting photos and videos and even getting some work done The important stuff you need to know Get connected Browse the Web manage email and download apps from Google Play through WiFi or 3G 4G network Keep in touch Call text chat videochat conduct conference calls and reach out with Facebook and Twitter Capture and display images Shoot edit show and share photos slideshows and high definition videos Play and manage your music Buy music from Google Play or Amazon and listen to it with Galaxy S5 s Music app Work anywhere Access your files company network calendar and contacts and work with Google Docs Connect to Google Maps Use geolocation and turn by turn drive directions to find your way Stay fit with S Health Use this built in app to keep track of fitness goals walking heart rate blood pressure and more Samsung Galaxy Note 8 User Guide Mike Jacobs,2017-10-29 This manual provides detailed user friendly information about how to use your Samsung Galaxy Note 8 mobile device With this manual you will learn about your mobile device assembly procedures its hardware how to set it up its features its applications and settings its connections battery life storage and the device s accessibility Once you have completed reading this manual it will be easier for you to use your new Samsung Galaxy Note 8
