The Norwood Nanny Chronicles begin. When American orphan Bree arrives at Norwood College, the elite English training ground of nannies to the world's rich and powerful, she knows that making it through the first year to land a spot in the coveted certificate program is the key to her future. She also knows she can't go it alone, bonding quickly with her groupmates: an errant and broke nobleman's son, one of England's oldest families, the ambitious and whip-smart daughter of a self-made immigrant, and the ditzy husband-hunting daughter of a disgraced playboy aristocrat. What none of them realize is that there is more to Norwood than meets the eye: the school itself may unlock the secrets of Bree's own shadowy past, and the classmates' very lives will depend on their ability to work together to meet the dangers ahead.
