Work Off-Line

- Set up a new database or modify a previously saved database (without being connected to the telephone system). This helps minimize on-site programming time.

Work On-Line (connected directly or via modem)

- Program your system via the PC, in lieu of using the telephone programming.
- Download a database from the telephone system which you can modify. Then, save the database to a file on your PC or upload the changes back into the phone system. *Be sure to download the entire database before saving it.*
- Upload a new database to the telephone system.
