Namerow, 2022-03-18 THESE are musings sketches essays attempts to capture shadows and lingering memories that have been allowed to ferment for a decade or more Sure there's a story here and there an occasional narrative with a beginning a middle and perhaps a worthy end there's even a poem There's also a bit of discomfort in places you might even stumble on a barely hidden yearning for a caress Read these for fun for meanings we've all shared for moments I've tried to bless with

smiles and tears for irony gentle sarcasm and a knowing wink at so much of life that cannot be taken seriously

*Foundational Principles of Contract Law* Melvin A. Eisenberg, 2018-09-20 Foundational Principles of Contract Law not only sets out the principles and rules of contract law it places more emphasis on what the principles and rules of contract law should be based on policy morality and experience A major premise of the book is that the best way to grasp contract law is to understand it from a critical perspective as an organic dynamic subject When contract law is approached in this way it is much easier to grasp and learn than when it is presented simply as a static collection of principles and rules Professor Eisenberg covers almost all areas of contract law including the enforceability of promises remedies for breach of contract problems of assent form contracts the effect of mistake and changed circumstances interpretation and problems of performance Although the emphasis of the book is on the principles and rules of contract law it also covers important theories in contract law such as the theory of efficient breach the theory of overreliance the normative theory of contracts formalism and theories of contract interpretation
